There are lots of other communities in Oregon that would be delighted to hold similar celebrations. In this connection the Lakeview Board of Trade is working with Klamath Falls towards the construction of roads which will give Lakeview its share of the benefit from the new railroad.

Entertain Grocers Association

The Oregon Retail Merchants Association will entertain the National Retail Grocers Association who are to be in convention in Portland June 2nd to 5th, and the Oregon merchants will circulate in advance, a beautiful souvenir program which will be one of the best advertisements of this state ever printed. Going into the hands of thousands of retail grocers all over the country, many of these programs will find their way into the hands of people who want to come to the Pacific Northwest.

A Comparison of Values

In an advertisement in the Ontario Optimist it is observed that five and ten acre tracts in the vicinity of Ontario are being offered on the market \$200 an acre. An inch of water is sold with the land. Ordinarily this is regarded as a pretty fair investment for a home, but when one takes into consideration that better land can be bought in Polk county at from \$50 to \$75 an acre that has assured natural precipitation which would save the toll incumbent to irrigated land the hint should be sufficient to homeseekers.

Polk county offers the best inducements of any section of Oregon today

Splendid Advertising Feature
"Leslie's Weekly" publishers in its latest number a picture showing the contents of the storeroom of the steamer "Hamburg", with supplies used for the Farewell Banquet tendered Roosevelt on his recent trip across the Atlantic. Foremost among good things displayed are numerous boxes of Hood River apples, and fortunately for Hood River and Oregon the boxes are so placed that the labels are easily read in the picture.

PATTEN RETURNS TO EAST

Says He Took Advantage of Conditions and Wanted Friends.
Kansas City, May 10.—There is only one thing which I deplore that has come as a result of my operations in wheat, and that is the effect it has had on the people by increasing the price of bread," said James A. Patten, who passed through Kansas City Saturday on his way from Colorado to Chicago.

JAMES A. PATTEN.

as City Saturday on his way from Colorado to Chicago.

"Last October I told every one that what has happened would happen. I advised my friends to buy wheat because the amount of exports was rapidly shortening the home supply. They laughed at me, especially on Wall street was I ridiculed.

Roosevelt for Mayor.

New York, May 10.—The nomination of Theodore Roosevelt for mayor of New York City is proposed by General Stewart L. Woodford, the diplomatist and former minister to Spain. It is admitted the boom thus launched has neither the knowledge nor the consent of Mr. Roosevelt, but it is declared that an insistent and unanimous demand upon the part of the people of the city would compel him to accept.

FAMOUS CASE NEARING END

Wagers Made That Calhoun Will Not Be Convicted.

San Francisco, May 10.—With the case of the prosecution against Patrick Calhoun, the millionaire president of the United Railroads, charged with having bribed the supervisors of San Francisco for certain franchise privileges, completed and the defense ready to present its testimony, there is lively betting on the verdict of the jury. The defense has promised that its presentation will not take more than four days. After that will come the rebuttal and the charging of the jury, so it is believed that within 10 days or two weeks the case will be given to the jury.

Public sentiment among the men who make a business of betting on these cases is strongly against a conviction.

Wu Ting Fang to Teach.

Chicago, May 11.—Wu Ting Fang, Chinese minister to United States, has accepted the presidency of the Chinese school of Chicago. The school is one of a series started under the auspices of the Imperial Chinese government. CHAINS CHILD TO HERSELF TO PREVENT KIDNAPING.

Tacoma, Wash., May 10.—Mrs. Edna Reed, divorced wife of R. T. Reed, a wealthy real estate man of Denver, created a sensation on the streets here, where she appeared with her 9-year-old daughter handcuffed to her. Twice since the divorce was obtained, Mrs. Reed says, attempts have been made to kidnap the child. She believes the silver-chained handcuffs will guarantee the child's safety.

Insurance Trust Joker in Illinois.

Chicago, May 10.—Leaders of fraternal insurance societies have discovered a joker in House Bill No. 552, which if passed will develop a billion dollar insurance combination with power to force smaller concerns and fraternal orders out of the insurance business.

Mother Barters Babe.

Seattle, May 10.—"For valuable considerations" not mentioned in the regularly drawn bill of sale which was duly attested before a notary in this city, Mrs. Ed Gallagher, of destitute means, sold her infant daughter to the wife of a patrolman.

1000 Cabdrivers Demand Raise.

Chicago, May 10.—One thousand cabdrivers went on strike Saturday night. The drivers demanded \$14 a week, and refused to compromise for \$13.

MANY CHINESE SMUGGLED

Gang Had Headquarters in Chicago and El Paso, Texas.

Chicago, May 10.—Hundreds of Chinamen and scores of Chinese women and girls are believed by the federal authorities to have been smuggled into Chicago in trunks, barrels, crates and freight cars in the last year by a band of men in El Paso, Tex. One wealthy Chicago Chinaman has been indicted and arrested.

They were brought to Chicago from El Paso by a Pullman dining-car crew, which made one trip a week, bringing each time two Chinamen. The dining-car crew got \$50 for each Chinaman transported. The smuggled Chinese paid between \$400 and \$500 each.

ANSWERS EVERY CALL

Independence People Have Found That This Is True

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Of some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific.

Many Independence people rely on it. Here is Independence proof:

Mrs. Sarah Burright, Independence, Ore., says: "We have used Doan's Kidney Pills and have found them to be an excellent remedy for kidney complaint. My husband suffered from a lame back and received but little relief from remedies he tried. My son also had a weakness of the kidneys and in both instances Doan's Kidney Pills cured the trouble. I was bothered by a bearing-down pain in my hips and a tired and languid feeling. I procured Doan's Kidney Pills at P. M. Kirkland's Drug Store, took them as directed and they cured me promptly. I am glad to recommend Doan's Kidney Pills.
