

Independence Enterprise.

CHARLES EDWARD HICKS

Entered at Independence, Ore., post office as second-class matter.

Subscription, \$1.50 Per Year

One of the best pieces of advertising for Polk county and Independence particularly has just come from the press for the Chas. E. Hicks Real Estate Co. It is a twenty-four page booklet and is descriptive of the county. It is printed on book paper and has a neat cover which makes the edition very attractive. There are about 5000 in the edition. It will be mailed in all the correspondence of the real estate com-

pany and to all people who are making enquiries for homes on the Pacific coast that can be heard of by the company. This is the third booklet issued by this real estate company, making in all over ten thousand in the complete editions. The two former publications have been exhausted, with the exception of a hundred or so it is interesting to note that no other firm of Independence has expressed a willingness to even pay postage on advertising matter, while others through jealous ardor, send their printing away to have it done. The Chas. E. Hicks Real Estate Co. is attempting to build up home institutions. Others are doing all they can to tear them down.

The Enterprise has taken no part in the differences that have come up in the city council. It is a matter that had best be dropped. It can do no

good the airing of imaginary troubles. Many expressions have been made not at all flattering to parties in question. Let's have peace, neighbors. Let's have harmony in the council chamber.

Vudor Porch Shades

Cool, Shady, Airy, Private

And They Last for Years

You need Vudor Porch Shades to get the most out of your porch. To make it a spot where you can rest or work on the hottest days—out doors, yet free from the sun's glare and heat. You can do this with Vudor Porch Shades; you can add to the house another room, cool and shady, where you may enjoy every refreshing breeze in secluded comfort. Vudor Porch Shades are very durable and will last many seasons. Another good feature about them is the peculiar fact that those sitting on the porch can *see out* but passersby cannot *see in*. In other words, you have complete privacy, and can use the porch or veranda the same as an inside room, with infinitely more comfort on hot days.

VUDOR PORCH SHADES are just the thing for "boxing" in porches or balconies that are to be used as outdoor sleeping or living apartments.

VUDOR PORCH SHADES are made of thin flat strips of Linden wood closely bound by strong seine twine, in a lock stitch weave.

They are artistically stained in soft, pleasing colors. These colors are weather-proof and will not fade or crack off. The shades can be instantly raised or lowered and are readily put up.
