

TRIAL DATES FOR OCTOBER

The Oregon Field Trial Club, at a meeting held in Portland this month, completed arrangements for their field trials which are to be held in October near Salem. So much interest was shown at the trials at Independence last year, with its unusual clean and dignified sport, there is every reason to believe the trials this fall will be largely attended and that deeper interest will be shown.

The club will hang up a \$500 guaranteed purse to be divided equally on the Derby and All-Age stake. It is also hinted that there will be a subscription stake, barring championship dogs from All-Age stake. Handsome sterling silver loving cups will also be offered to the owners of each winner, which means that there will be no less than six cups and seven in case of the subscription stake. The cups have already been procured.

E. H. DeBrower of Minneapolis, a noted sportsman and dog lover, has located in Portland and will join the the coast club. Mr. DeBrower has given out the information that there are other Eastern dog enthusiasts who are expected to remove to Portland to enjoy Oregon's superior game and sporting advantages.

Whooping Cough

This is a more dangerous disease than generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKelg of Harlem, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by P. M. Kirkland.

Win Another Victory.

That Independence has a fast ball team was proven last Sunday when they met and defeated the Salem Woolen Mill team by a score of 14 to 3. The score does not represent

the relative strength of the teams as Independence had the Capital City boys at their mercy at all times and could have beaten them 40 to 0 if they had wanted to. The home team has been strengthened again and they now have a team that will rask with the fastest teams of the state.

The game on Sunday will be with Corvallis and will undoubtedly be a fast one. This is the same team that our boys beat by a score of 7 to 6. Both teams have been strengthened and a very snappy game is assured. At a meeting of the board of directors Monday afternoon the resignation of Ted Cooper as manager of the team was accepted and Dean Walker was elected to fill the position.

Chamberlain's Liniment

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism and relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely to the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by P. M. Kirkland.

Looking up Investments Here.

Showing much interest in Oregon timber, a party of eighteen capitalists from Michigan spent a day in Portland during the week. They represent capital of over \$50,000,000, and their visit here shows an interest in Oregon timber that will mean investment of large sums here in future. They said some of their number intended to secure some of the remaining big trees of this state shortly. Two of the party will return to Portland within a few days to receive reports on Oregon properties they are looking up. The visitors are mostly officials of the Michigan-Pacific Lumber Company.

Heartburn, sour risings, belching, dull, heavy feeling and such things are caused by indigestion. Kodol stops them by digesting the food you eat. Sold by all druggists.

PEOPLE WE KNOW

They are Independence People and What They Say is of Local Interest

When an instance like the following occurs right here at home, it is bound to carry weight with our readers. So many strange occurrences go the rounds of the press; are published as facts, people become skeptical. On one subject skepticism is rapidly disappearing. This is due to the actual experience of our citizens, and their public utterances regarding them. The doubter must doubt no more in the face of such evidence as this. The public statement of a reputable citizen living right at home, one whom you can see every day, leaves no ground for the skeptic to stand on.

P. H. Drexler, Main St. Independence, Ore., says: "I have used Doan's Kidney Pills and am glad to acknowledge the benefit derived. For a long time I suffered from a weak back and an irregularity of the kidney secretions. I was advised to try Doan's Kidney Pills and procured a box at P. M. Kirkland's Drug Store. They gave me relief at once. I continued and was relieved from every symptom of complaint. I am glad to recommend Doan's Kidney Pills as a reliable remedy for the kidneys."
