WILL OLD TOWN STAND FOR TAX

(Continued from first page.)

North, South, East or West Independence. The position of mayor, councilman, justice of the peace, or school director is one not generally sought after, but someone must give their time to these positions in the interest of good government, and when a man accepts the position and swears to perform the duties of his office he should do so just as well as if the office carried a large salary or resign the office and let someone else have a trial at it.

"If we expect to keep up with the big procession and hold Independence on the map with other sister towns we will have to lay aside our little personal differences in private life and when we do business for the whole people put our shoulder to the wheel and help to push our city to the front."

Entertains Graduates

The social event so far this season was the reception given Thursday evening of last week by Mr. and Mrs. O. A. Kramer to the members of the graduating class of the eighth grade of last year's public school, of which their daughter, Gretchen, was a member. There were forty-five invitations sent out, thirty-five of whom responded. The house decorations were very elaborate and beautiful, the effects being made by the artistic and tasteful arrangement of roses and evergreens, while the handsome lawn was illuminated with Chinese lanterns with class colors of blue and gold, presenting a beautiful effect. A dainty lunch, consisting of ice cream, cake and light refreshments was served from a tent in the yard. During the evening the members of the class entertained those present with several musical selections, and all of those who were fortunate enough to be present voted the occasion one of the most enjoyable of the season and one long to be remembered.

A Thrilling Rescue.

How Bert R. Loan of Cheney, Wash. was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. I then went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and I am now as well as ever." For Lung Trouble, Bronchitis, Coughs and Colds, Asthma, Croup and Whooping Cough it's supreme. 50c and \$1. A trial bottle free. Guaranteed by all druggists.
