## GOOD FRUIT TREES

A good foundation will support a good house.

The Oregon Nursery Co's fruit trees 1 year old and 4 to 6 feet high on 3 year-old roots will support better trees than the piece root graft commonly sold. Hundreds have demonstrated, thousands are convinced that they will grow faster and bear quicker

## Time is Money

Orchard land is too valuable to be lumbered with trees that will be a long time in bringing results

The Oregon Nursery Co's trees are grown on new land and are absolutely free from disease. Don't buy the cheapest trees and get stung but buy the best trees and be satisfied.

### Preserved With Currant Juice

Now that the season for putting up preserves and jams is at hand and there are abundance of cherries and currants in this immediate vicinity, the following receipt for preserving cherries with currant juice may not come amiss:

Twelve quarts of cherries, three quarts of currants, two quarts of sugar. Put the currants in the preserving kettle and on the fire. When they boil up crush them and strain through cheese cloth, pressing out all the juice.

Stem and stone the cherries, being careful to save all the juice. Put the cherries, fruit juice and sugar in the preserving kettle. Heat to the boiling point and skim carefully. Boil for twenty minutes. Put in sterilized jars or tumblers. This gives an acid preserve. The sugar may be doubled if richer preserves are desired.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses of ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer \$100 for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Cheney & Co., Toledo, Ohio. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

### That Pesky Fly

He is here at last and this fact no one can deny. The pesky fly now makes you swear by crawling, crawling everywhere. He wipes his feet upon the bread and creeps upon your hairless head. Within the milk he takes a bath and on the butter makes a path, and then he angers Mary Jane by specking up the window pane; and mama yells and baby squirms because he leaves those awful germs. Get out the sticky paper, quick, and make him goshamighty sick.

## A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and set it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

## Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and cleans, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.
