

SPECIAL-PRICED MERCHANDISE

We are daily receiving shipments of our Fall Goods, and being very much crowded for room to properly display them, we have decided to close out a few lines to get the space occupied by them. We are not advertising to give away our goods, nor to slaughter prices on everything in the house, as a merchant must have some profit in order to live, but have selected a few lines, which we know to be good, honest merchandise; and have priced them with no regard to cost, as we need the room. Prices will hold good from
