Night on Bald Mountain.
On a lonely night Alex Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest throat and lung cure on earth. Coughs, colds, croup, hemorrhages and sore lungs are surely cured by it. Best hay fever, grip and whooping cough. 50c and \$1. Trial bottle free. Guaranteed by all druggists.

A Valuable Booklet
Through the courtesy of Wm. McMurray, general passenger agent of the O. R. & N. Co's and Southern Pacific Co's lines in Oregon, we are in receipt of a copy of booklet just published by this company entitled: "Well Irrigation of Small Farms in the Willamette Valley" by R. M. Breton of Portland. This book is devoted to an explanation of the irrigation system and the advantage to be derived therefrom. All those who desire can procure a copy free of charge, on application at the office of the company at Portland. We would advise you to write for one at once.

Best Treatment for a Burn.
If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly and unless the injury is a severe one heals the parts without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price 25 cents. For sale by P. M. Kirkland.

Meditation of the Cat.
Reading of outside doings always awakens local interest. An "old town" man read about a big Eastern Oregon irrigation project and then went out and watered his trees with a fountain pen filler.

Many a person loses his religion through a hole in his pocket.

Whenever you hear anyone thanking God that religion is free you can always figure that they mean every word of it.

According to Billy Sunday the girl of seventeen says of a boy: "Who is he?" and at thirty-five she cries: "For God's sake, where is he."

We are told that Christ was born of humble parents, where he showed good sense. He knew enough not to become wealthy.

Those trained to obey a good mother need never worry about their salvation.

Never be a dead one this side of the grave.

The hardest rushed person is the one who has not the time to be kind.

Many a boy is going to the devil because "dad" is hitting the high places in the same direction.

Any fool may sometime blunder into a gold mine, but not on the farm,—there is where it takes brains.

Say, did you ever stop to consider: the woman riding beside you in the automobile does not feel so proud as you. Think she does?

If you can't think of anything else to talk about, talk about the state fair.

"Work leads to happiness." The way one works has a good deal to do with it.

Conscience is the hyphen that connects you with either heaven or hell! The hyphen seems to be pretty well battered among some of the people of this man's town.

The booze-fighter always takes a long chance on having to go into liquidation.

Tight lacing makes many a corn, but it keeps the tongue of a lady's shoe quiet.

You'd number the devil with the dead ones, too, if the old boy didn't advertise.

RHEUMATIC FOLKS

Are You Sure Your Kidneys Are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.

F. A. Sutton, 1125 Water street, Salem, Ore., says: "For ten or twelve years rheumatism and kidney trouble were the plague of my life. I could hardly move, owing to the lameness in my back and had to come into the city to doctor for the trouble. Nothing seemed to bring me more than temporary relief and I was in bad shape when I procured Doan's Kidney Pills. They benefited me at once and when I had taken the contents of three boxes, I was free from every symptom of my old trouble. My health is now better than in years."

For sale by all dealers. Price 50c. Foster - Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

A Good Position

can be had by ambitious young men and ladies in the field of "Wireless" or railway telegraphy. Since the 8 hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 a month, with good chance for advancement. The National Telegraph Institute of Portland, Oregon, operates six official institutes in America, under supervision of R. R. and Wireless officials and places all graduates into positions. It will pay you to write to them for full details.

Change of Firm

L. G. Reeves, who has been a resident of Independence for the past three years and who is a heavy holder of real estate in this city, this week purchased from C. G. Irvine, the Irvine Grocery Store on the corner of Main and C streets. Mr. Reeves took possession the first of the week, and having been experienced in the general merchandise business in Queensland, Col., for a number of years, the Enterprise bespeaks for Mr. Reeves a good trade.

Mr. Irvine has not yet decided what he will do, but expects to remain in Independence.
