INSPECTED PUBLIC WORK

Commissioners Teal and Riddell, of Polk county, were Salem visitors Thursday of last week. The object of their visit was to see how the work of redecking the Salem bridge is progressing. Owing to the fact that the work can be done only at night, it is necessarily a slow job. Mr. Teal has figured out a new method of redecking that he wanted to see tried and that was the main object of their visit. With the present way of replanking it has to be replanked every eighteen months and anything that will prove more lasting will gladly be accepted by every taxpayer.

LAME EVERY MORNING

A Bad Back is Always Worse in the Morning. Independence People are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all. Can't cure a bad back until you cure the kidneys. Doan's Kidney Pills cure sick kidneys—make you feel better, work better, rest better and sleep better.

Permanent cures in Independence prove the merit of Doan's.

Geo. W. Richardson, Monmouth St., Independence, Ore., says: "I suffered from a severe pain in the small of my back, especially at night, and would arise in the morning feeling so lame and stiff that I could hardly put on my clothing. I was very miserable when Doan's Kidney Pills came to my attention. I procured a box at P. M. Kirkland's drug store and they helped me in a short time. I do not hesitate to recommend Doan's Kidney Pills to others suffering from kidney complaint."

For sale by all dealers. Price 50c. Foster - Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

Digging Potatoes.

The time is near when farmers will be digging their potatoes, and then is the time to select seed for another year. In referring to the subject of selecting potatoes for seed, a farmer who has made the matter a study said this week: "When a hill of nice smooth potatoes is found, free from scab or rot, and a goodly number are just the shape and size wanted for table use, put them to one side and at night put them away for seed for next Spring and you will be surprised to see how you can change the type and improve them in a few years. If farmers would take as much pains in selecting their seed potatoes as they do their other seeds, we would not hear so much complaint about potatoes running out."

Money Comes in Bunches

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at all druggists.

Firms Consolidate.

The stocks of the two firms of Hall & Hayes and that of Guy Bros. & Dalton, at Dallas, have been consolidated. It is proposed to organize a joint stock company, incorporate and, hereafter, do business as one firm. The reason for the change is said to be that none of the members of the previous firms were able to keep up with the orders of their several departments, but by systematizing the business under the new regime, work can go ahead in all departments and be got out on time.

\$1.00 Reward

would gladly be paid for a cure by many people who are crippled with rheumatism, yet if they only knew it, they can be cured by a few bottles of Ballard's Snow Liniment, and the price is only 25c, 50c, and \$1.00 per bottle. Sold by Williams Drug Co.

Monmouth Man Honored.

Governor Benson has appointed J. B. Stump of Monmouth as a delegate to the national dry farming conference which meets at Billings, Montana, October 26.

Want Better Grades of Fruit.

It is an unmistakable fact that Independence, in one of the greatest fruit belts in the Willamette valley, cannot have her market supplied with an abundance of good fruit but it is a fact that often it is impossible for the householder to buy apples, pears or other fruits with which the orchards are now laden. Of course, you can always get culls but many do not care to buy them. It is time that some of our merchants take steps to see that the local markets are supplied regularly with first class fruit.

Frightful Fate Averted.

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Disberry, Kellher, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises. It soon cures Burns, Scalds, Old Sores, Blisters, Skin Eruptions. World's best for Piles. 25c at all druggists.

"Perfection of Detail"

Our Superior Steel Ranges embody best construction and features in these popular style range. Attractively nickled, malleable iron, joined with cold driven rivets are some of the features of this fine range. It is not an ordinary range. It is not bolted together so that in a short time the bolts work loose, the putty drops out and "air leaks" come in, causing waste of fuel and slow baking. The Superior Steel range is perfection in every construction detail.

Bridge & Beach Superior

These Heaters give you satisfaction. They warm the apartments better than any other stove, because they are made to throw out the heat. You know that with some heaters you are freezing when the stove is red hot. Those are not the SUPERIOR—they are wood eaters.
