**Old Wheat Flour**

Everyone knows that old wheat flour is superior to flour made from new wheat. Remember that all our brands of flour are made from old wheat, we having reserved enough to last us until the first of the year. Be sure and ask your grocer for our brands of flour made from old wheat and take no other.—Oregon Milling and Warehouse Co. 18th

**More Than Enough is Too Much.**

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again.
