SCHOOL OFFICERS' COVENTION

The annual convention of school officers of Polk county will be held at the county court house at Dallas, Saturday, November 6, 1909. A list of subjects that are of great interest to the schools of the county will be discussed at this meeting and state discussed at this meeting and State Superintendent J. H. Ackerman, who is well known to every school officer in the county, will be present and will take part in the discussions.

The school officers' convention, which first originated in this county under Superintendent Starr, has become a state-wide movement and the legislature has passed a law by which the delegate from each district attending shall receive as compensation, \$2. Many of the school laws now of the state were first discussed and recommended by the school officers' conventions of the different counties and old Polk has always been in the lead in this good work.

At the convention this year there are subjects to be brought up that will be discussed all over the state within the next two years, and for this reason if there were no others, every school officer in the county should be present, and by all means every district should have a representative at the convention.

T. W. Brunk, president of the association, and Superintendent H. C. Seymour, secretary, have been working on the plans for this convention for some time and they believe that this will be one of the best meetings ever held in the county or in the state.

Others who are interested in the education of the boys and girls of the county are invited to be present and help to better the school conditions of the county.

It's A Top Notch Doer.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs and colds and influenza vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Potatoes Surer Than Hops.

Homer Link, who owns a large ranch in the vicinity of Airle, was in the city last Saturday on his way to the county seat. Besides diversified farming he was lucky enough to have a number of acres in hops this season and he was feeling very jubilant over the prospect of a good price for them this year. He says, however, that he believes that there is more money in raising early potatoes taking it one year with another, than there is in hops. This season he planted four acres to early potatoes which yielded him about \$800. He sold them in Falls City and Black Rock and got an average of two cent a pound for the entire crop.

Buils A Bungalow.

John Gentry, who owns a ranch on the hillside over in Marion county just above the Sol Cox place, commenced last week the construction of an eight-room Bungalow 28x32 with a porch on three sides. It is to be modern in every respect with hot and cold water, bath and all modern conveniences ready for occupancy some time in December.

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. Lies in a keen, clear brain, backed by energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lisimore, W. Va., writes: "They are the best pills I ever used." 25c at all druggists.

Shipped Hops.

Fitchard & Wolfe were the first of the hop dealers to make a shipment of hops from this district to the New York market. Monday of this week they shipped 200 bales from Independence. This makes 512 bales they have shipped so far, having shipped 242 bales from Creswell, Oregon, some time since.

Frightful Fate Averted.

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Disberry, Keilher, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises. It soon cures Burns, Scalds, Old Sores, Boils, Skin Eruptions. World's best for Piles. 25c at all druggists

Perfection of Detail

Our Superior Steel Range embodies construction and features in these popular style ranges. Attractively nickled, malleable iron, joined with cold driven rivets are some of the features of this fine range. It is not an ordinary range. It is not bolted together so that in a short time the bolts work loose, the putty drops out and "air leaks" come in, causing waste of fuel and slow baking. The Superior Steel range is perfection in every construction detail.
