Money Comes in Bunches

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at all druggists.

Old Wheat Flour

Everyone knows that old wheat flour is superior to flour made from new wheat. Remember that all our brands of flour are made from old wheat, we having reserved enough to last us until the first of the year. Be sure and ask your grocer for our brands of flour made from old wheat and take no other.—Oregon Milling and Warehouse Co. 18tf

Pounded the M. E. Minister.
The Rev. Weber and his wife were unmercifully pounded last Monday evening by the members of the congregation. While they were taken entirely by surprise there were no black eyes or hard feelings over the event. Last Monday evening the members of the congregation met at the church each one having in his possession a pound of something and a large number of them did not stop at a pound. From the church they went to the parsonage where they left their packages and taking charge of the minister and his wife proceeded to the residence of Dr. and Mrs. Hewitt where a most enjoyable evening was spent in singing and other amusements such as the "Shaking Quaker," etc. During the evening a light lunch was served and when the home going time arrived everyone departed feeling that the evening was well spent.
Everything was so quietly arranged that Mr. and Mrs. Weber were taken completely by surprise.

To Exist

is to stay on a farm with your nose down on the grindstone year after year, making barely enough to tide you over from one crop until another, or working in a prune Orchard part of the season for someone else to make enough to run your farm the next year. Are you in this class? If so, get out of the rut. Get up onto the trail and kick up a dust.

To Live

is to plant your farm out into an Apple, Pear, Peach, Prune or Cherry Orchard and raise something for which the world is crying and for which it is willing to pay. A good Orchard is the best real estate agent you ever had if you want to sell, and the best income producer when you want to live on Easy Street. For prices on fruit trees write to

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.
It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
