Got Turned Down Again.  
The foot ball boys seem to be having hard luck in securing a team to come to Independence to play with them. Two weeks ago they adver-

tised a game with the freshman team of the Oregon Agricultural College of Corvallis. At the very last moment the game was called off and the boys accepted an invitation to play the Al-

co club team at Albany. Last week they went to the expense of advertising a game with the second team of the Willamette University of Salem. Saturday morning the Salem

team called the game off and it was too late to arrange for another team to come. The boys say that they will keep on trying until they are successful if it takes the balance of

the foot ball season.

W. W. Percival loaded a car of hogs last Tuesday morning for the Portland market. They were a fine records this month. Call and hear lot and he expected a top notch price them at Craven & Moore's. 18th for them.
