

## OPENING GAME OF FOOT BALL

The first foot ball game of the season for Independence took place upon the school ball grounds last Saturday between the local high school boys and Corvallis high.

The game was clean throughout and both teams did hard work. With in a few minutes of time in the first half, under great excitement and cheering, our boys made a dash over the line and scored a touchdown. In the second half they repeated the feat and did not have to work quite so hard. The visiting team put up a good scrap but were too light to resist the line smashes.

Owing to the condition of the field and rainy weather neither team was able to do its best work. The game ended in a victory for our boys of which they are justly proud. Prof. Kirk accompanied his boys and looked as happy as usual. A return game in the near future is anticipated.

### With School and Teacher.

During the first of next week patrons of the school should receive a report of work done by their children. Some of these reports will be satisfactory to the teacher, to the patron and to the pupil. Others may not be. If they are not what they should be will you please co-operate with the teachers for better results? If your boy spends his time on the streets or elsewhere when he should be in school at his studies, remember the teachers will not be responsible for his failure. It is recommended by many professors in large schools and endorsed by their school boards that at least two hours' work ought to be done outside of school hours upon school work.

The school is more than willing to do all that it can for the advancement of the pupils but it cannot do all. It takes governable pupils, equipped instructors, and parents with lots of good, sound common sense and judgement to make a school.

Everybody is welcome to inspect the work of the school at any time.

Public school pennants (purple and white) may be had at reasonable prices by leaving an order with the principal. The money will be used for school purposes.

### A Methodist Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years for diarrhoea. I consider it the best remedy I have ever tried for that trouble. I bought a bottle of it a few days ago from our druggist, Mr. R. R. Brooks. I shall ever be glad to speak a word in its praise when I have the opportunity."

### Murphy-Wilson Nuptials.

Married, at high noon, on November 3, at the home of the bride's parents, Mr. and Mrs. S. H. Wilson of Buena Vista, Mr. William L. Murphy and Miss Mabel F. Wilson. The ceremony was performed by Dr. Dunsmore of Calvary Presbyterian church, Independence, in the presence of a few of the immediate friends of the bride. The parlors were tastefully and beautifully decorated with chrysanthemums and ivy. The wedding dinner was served immediately after the ceremony. The happy couple will reside on the ranch of the groom's parents, near Buena Vista. Their many friends wish them all joy and prosperity, with long life and every success.
