NUMBER 24

SIXTEENTH YEAR

CHAPEL CAR IN INDEPENDENCE

"CHURCH ON WHEELS" TO ARRIVE TOMORROW.

Services During the Week to Precede Erection of a Catholic Edifice Under the Supervision of Father McDevitt of the Cathedral Parish.

The residents of Independence and vicinity will have an opportunity next week of visiting and inspecting the Catholic chapel car which was designed for the purpose of conveying the benefits of Catholic religion in those sections desiring it. In the three years that the car has been in service it has traveled many thousand miles and those in charge of it have conducted innumerable missions. In the present instance the "church on wheels," as it is familiarly called, is preceding the missionary work being done by the Rev. Father H. J. McDevitt of the cathedral parish of Portland. Father McDevitt has undertaken the task of erecting a number of churches for the conducting of services. One of these is to be in Independence and if everything is favorable to that end, the construction is to be commenced in the early part of the coming year.

Several weeks ago one of the churches was dedicated in the city of Newberg and the roof of another is on at Sheridan. At the same time ground has been acquired for a church at Rainier and negotiations are being made for church property at three other places.

The chapel car cost the sum of \$12,000. It is equipped with all the conveniences for the holding of the services of the Catholic religion and at the same time for the traveling accommodation of those in charge of it. There is an altar, sanctuary, confessional, baptismal font and other accessories and all told it is one of the most complete pieces of mechanism ever turned out by the Pullman car company. The money for its construction was mainly contributed by A. Petry of the city of Chicago who is an ardent believer in missionary work.

The car will arrive here tomorrow and will remain until the succeeding Saturday. There will be the service of the mass in the car on Sunday morning at 10 o'clock and in the afternoon Sunday school at 4 o'clock. There will also be mass every week day at 8 o'clock and instructions for the children in the afternoons.

Beginning Sunday evening at 7:30 o'clock a course of lectures for Catholics and non-Catholics will be given in the Independence opera house to which all are invited and for which no charge will be made. The services throughout the week will likely be conducted by Father Polk of the Redemptorist Order under the direction of Father McDevitt. The latter will also deliver several addresses during the week.

D. P. MCCARTHY MARRIES.

D. P. McCarthy, manager of the Lone Fir hop yards east of the city was married in Salem Thursday of last week to Miss Lena Biers of that city. The ceremony took place at the home of the bride's parents, Father Moore officiating, there being only a few intimate friends of the bride and groom present. An elaborate wedding supper was served at 8:30 in the evening after which the newly wedded pair departed for Portland and other points on the coast, returning home last Wednesday afternoon. Mr. McCarthy is a favorite with all who know him. His marriage came as a pleasant surprise to his friends who extend their congratulations to the happy couple and wish that they may live long and prosper.

Paul Belt and Miss Helen Cooper were united in marriage at Portland last Saturday evening. Both of the contracting parties are well known in this city where they have lived until within the past few months. Their many friends here extend congratulations and wish them a happy and prosperous voyage through life.

CHURCH ANNOUNCEMENTS

The sermon-lectures or character sketches of men and women of the Bible, given every Sunday evening at Calvary Presbyterian church, are both interesting and instructive and appear to be greatly appreciated, as attested by the large and increasing congregations that attend every service. Next Sunday evening Dr. Dunsmore will deliver the seventh of the series, the subject of which will be, "Miriam, the Grand Old Maid." The evening service commences at 7:30. Morning worship at 11 o'clock and Sunday school at 10. The general public are cordially invited to all the services.

Evangelist B. C. Black of Salem is conducting a series of revival meetings in the Christian church. Services commence each evening at 7:30 and will continue over the next two Sundays. Already a good interest is being developed—the audiences are large and attention the best. Come out and hear the evangelist and bring a friend with you.

Regular services at the Methodist church next Sunday. The subjects are as follows: In the morning, "Drawing Water out of the Wells of Salvation," and in the evening, "Lot's Choice." Both the members and the pastor are endeavoring to make each service a channel of blessing to all.

The brick church on Third street, Maynard R. Thompson, pastor. Strangers and non church goers always welcome. Sunday morning at 11:00 the pastor will speak on the text, "She Hath Done What She Could." His evening theme at 7:30 will be "Cursed Blessings." The Bible school meets at 10:00 and the young people at 6:30. On Wednesday evening the church and friends will continue the study of the Holy Spirit. On Saturday of this week at 2:30 the church will hold a regular business and covenant meeting.

STATE MAKES GREAT STRIDE

Under the banner of the Oregon Development League, the state has never taken a more decided forward movement in community publicity than now. With the various cities thoroughly aroused and actively at work to advance their interests, the outlook is very bright. Never has there been a stronger advertising pulse throughout the state. There is a determination to set forth to the world the manifold advantages Oregon has to offer to the home-seeker.

During the past week, under the direction of the Oregon Development League, remarkable meetings have been held in various parts of the state. Tremendous interest has been shown everywhere.

Lebanon raised a publicity fund of \$2500 at an enthusiastic meeting. The people of the city are united in the determination to exploit the resources of that section and are doing splendid work.

Corvallis has just organized a woman's auxiliary that will make itself felt in many ways in furthering the efforts of the local commercial club in advertising Corvallis. A warm welcome is given newcomers.

Silverton people, at a meeting during the past week, raised a fund of over \$2000 that will be still further increased. A strong commercial club has been organized with over forty members and it is promised this number will be raised to 100 soon.

Scio and Jefferson are in line for their share of publicity, having each raised \$600 for development work in their section. All are alive to the benefits of working together as a state league.

Laidlaw is active. The development league of that place is on the alert to advertise that part of Oregon and it is going ahead as never before.

Glendale, at a meeting last Friday showed a splendid get-together spirit and the people of that place are thoroughly wide awake and enterprising.

NEEDFUL KNOWLEDGE

Independence People Should Learn to Detect the approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, head aches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neg-

lect these warnings and there is danger of dropsy, Bright's Disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Independence proof:

Mrs. Jos. Whitford, Independence, Ore., says: "Doan's Kidney Pills helped my husband a great deal when suffering from kidney complaint and backache. At times he would be so stiff that he could hardly move and if he attempted to stoop, sharp pains would catch him in the kidneys. The kidney secretions were so frequent as to force him to arise many times during the night. He procured a box of Doan's Kidney Pills at P. M. Kirkland's drug store and noticed a great change for the better in a short time. He now feels much improved in every way. We are glad to give Doan's Kidney Pills our recommendation."

For sale by all dealers. Price 50c. Foster - Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

K. P.'s Go to Salem.

A delegation from Harmony Lodge No. 40, Knights of Pythias, of this city, chartered the gasoline launch, Louise, last Tuesday night, and went to Salem to attend the competitive drill held at the meeting of the district convention of the order in session there this week. Among those who went were Verd Hill, A. Whitney, O. Byers, Claire Sharp, Fred Moseman, Wm. McAdams and Wm. Kurre. They report having had a good time and that the team work of the different lodges that took part was fine. The boat left here at 6:30 in the evening returning about 4:00 the next morning.

DEACON'S COURTSHIP MAKES HIT

Deacon's Courtship, a comedy drama, played by local talent here last Friday night, was the best thing put on in Independence for a year. It was a success in every particular. Everybody knew that it was going to be good for they were there an hour ahead of the performance to be sure to get in. And the house was crowded, too.

The audience was unanimous in pronouncing young Eldridge the leading attraction in the character of Deacon Jones. So far as that goes, however, all characters are deserving of special mention.

One of the most pleasing numbers of the special features of the evening was the song and encore by Miss Hodge. She is possessed of a sweet voice which shows careful training.

In closing it is well to say that all numbers were good and deserve special notice. The play would stand repeating every night for a week and would not grow tiresome.

Entertains the Owls.

Mr. and Mrs. J. S. Cooper entertained the Owls last Wednesday evening at progressive whist. The honors of the evening were carried off by Mrs. P. H. Drexler and Mrs. O. D. Butler for the ladies, and E. E. Padlock and Geo. Kutch for the gentlemen. During the evening a dainty lunch was served by the hostesses and while all those present did not win prizes they will never forget Mrs. Cooper's chicken salad.

A Scalded Boy's Shrieks horrified his grandmother, Mrs. Maria Taylor, of Nebo, Ky., who writes that when all thought he would die, Bucklen's Arnica Salve wholly cured him. Infallible for Burns, Scalds, Cuts, Corns, Wounds, Bruises, Cures Fever Sores, Boils, Skin Eruptions, Chilblains, Chapped Hands. Soon routs Piles. 25c at all druggists.
