Don't Pay Rent

BUY A HOME TODAY

While giving you this advice we do not mean to advise you to go to the poor house and become a public charge, but come to us and let us explain to you our plan of how you can apply your rent money to the purchase of a home, so that in a short time you will be the possessor of your own place.

Neither do we mean that you should go to the poor house to avoid the landlord problem, but we mean that it will pay you to step in or write to us for our proposition of avoiding him as well as the county's home. Our plan avoids both of these results.

If you have property that you desire to sell the best possible advice that we can give to you is for you to sit down right now and write to the Chas. E. Hicks Real Estate Co., telling them what you have, giving a full and complete description. They can sell it for you quicker than any other real estate firm in the Willamette valley.
