\$1.00 a Week Buys the New Hoosier Special Kitchen Cabinet

Hoosier Special Kitchen Cabinets can now be bought in the same way as John Wanamaker's Century Dictionary, Ridpath's History, Pianos and other worthy articles. It places the very greatest value in kitchen cabinets in reach of all. It is an ideal way to buy; there is nothing for you to sell, nothing at all to do; simply call and ask to be a "Hoosier Club" member.

This Is Your Greatest Opportunity

You can begin enjoying the wonderful convenience of the Hoosier Special today and merely hand us the small change it saves you. The new Club Plan of the Hoosier Manufacturing Company gives you the privilege of using the Hoosier Special practically free a whole half year, while you pay for it only \$1.00 per week. It enables you to sit down and work in comfort now. Allows you one or two hours more leisure each day beginning at once. It puts all your kitchen supplies at your fingers' ends immediately. It saves miles of useless walking about your kitchen and pantry from the moment your cabinet arrives, and you need spare only a paltry few pennies a day.

For advertising purposes the Hoosier Cabinet Company, with its large capital, is standing back of this plan to give you their best Cabinet at a low price, otherwise we couldn't afford to give you this bargain.

You have seen this Cabinet now in your magazine for years. Look at it in our store today. Then use it in your house tomorrow.
