## ARCHITECTS ARE AT WORK

That Salem is to have a modern hotel and grill, as will be shown by the following clipping from an exchange, is welcome news to everyone. The modernizing of the Willamette will mark the advent of other like institutions:

Messrs. Knighton & Root of Portland are the architects employed by the Capital Investment Co. of Salem to draw plans for the remodeling of the Willamette Hotel, from basement to garret, including a complete system of modern plumbing and electric wiring. There will be a new front entrance on Commercial street, and the billiard and sample rooms will be put in the basement. The two store rooms now occupied by the Portland Railway, Light and Power Co. will be equipped for a modern garage, to be occupied by a local firm. There will be approximately one hundred rooms in the new hotel, about twenty-five of which will be equipped with private bath and telephone. Three will also be two public baths on each floor. A modern grill will be operated in connection with the hotel. It is the intention of the stockholders to spare no money in making this a first-class hotel. The estimated cost by the architect is \$500,000. It is probable the old name will be changed. This will be welcome news to the traveling public of the northwest, and will be one of the big features in Salem's 1909 cap.

### McLEOD-HARRIS NUPTIALS.

A very pretty home wedding was held at the home of the bride in Independence on Saturday, November 6, exactly at high noon, when Miss Nellie Harris was united in marriage to Mr. Job McLeod, Dr. Dunsmore of Calvary Presbyterian church, Independence, performing the ceremony. Dinner was served immediately after. The beautiful ring ceremony, with a modified form of the service of the Episcopal church, was used by Dr. Dunsmore in the solemn and sacred ceremony of the uniting of these two hearts and lives. The parlors were tastefully and beautifully decorated with ivy and chrysanthemums, white, yellow and garnet, the bride's bouquet being chrysanthemums and smilax. Quite a company was present of the immediate friends of the bride and groom, including Mr. A. Harris of Northport, Washington, a brother of the bride, and whom she had not seen for about fifteen years.

The happy couple drove to Salem where they took the train for Portland, and after visiting The Dalles and other places, will be at home after December first, to their many friends, in Independence. The bride has lived most of her life in Independence and has a host of friends, and the groom is a well known and prosperous citizen of this community. Their many friends both here and elsewhere, unite in wishing them a long and prosperous career, with much joy and happiness, with fair winds and much sunshine, and just enough of cloud to give variety which is "the spice of life."

### What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one will cause the parts to heal without leaving a scar. For sale by P. M. Kirkland.

### Hogs Equal to Fat Steers.

In a carload of hogs from Condon, Fred Edwards shipped one for which he received \$36.40. This is believed to be the record price for a single porker.

Astoria Plans Centennial in 1911. The centenary of the first American settlement on the Pacific coast will be celebrated by Astoria in 1911 and plans for the affair are already being discussed. Descendants of John Jacob Astor will be asked to join in the commemoration of the planting of the first American city on the Pacific coast by the founder of that famous family. The story of the founding of Astoria is told in Washington Irving's book of that name.

## Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness.

Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

*"Mother knows"*

"I used to complain about the stove—but not since I began using **OLYMPIC FLOUR**" —Mother

You always bake successfully when you use Olympic. It is pure and wholesome — nutritious and clean—just what is required to make good things to eat.

Every sack of Olympic is made from most carefully selected Northwestern wheat and manufactured under ideal sanitary conditions—only the plumpest, hardest grains are used, the choicest of the entire Northwestern crop. Insist upon Olympic—"there isn't any just as good."
