NEWS MATTER OF LAST WEEK

Following items of news were crowded out of last week's Enterprise:

Adah Chapter, Order of the Eastern Star, held a very enjoyable meeting on Tuesday evening, when new members were received into the order, after which initiation exercises, adjournment was made to the banquet room where an elaborate spread was served to the company, furnished by some of the brethren of Lyon Lodge, A. F. & A. M., many of whom are members of the Order of the Eastern Star. Quite a number were present from Monmouth both of members and visitors, and all appeared to have a most enjoyable time. Considerable amusement was furnished after the banquet when several were initiated into the mysteries of a "side degree" thus establishing their standing and membership in the Order of the Eastern Star. The lodge is flourishing, many new members having recently been added, with several others in prospect.

The slaughter house of the People's Meat Market of this city burned Wednesday night or Thursday morning. The cause of the fire is a mystery. There had been no fire in the house for almost twenty-four hours and it would appear that the building must have been set afire.

A number of visiting brethren from the Dallas Lodge, A. F. & A. M., including Dr. Hayter, master of the lodge, visited Lyon Lodge in this city last Saturday evening, and witnessed the exemplification of the work in the third degree. K. C. Eldredge was the candidate and after the ceremonies a banquet was served in the dining rooms of the lodge. A very enjoyable time was had.

Dallas is to have an osteopathic physician, says the Dallas Observer. Dr. D. D. Young, D. O., from Los Angeles, California, was in our city last week and has decided to locate here. He will be found in the Hotel Dallas Friday of this week November 12, from 9 a. m. to 5 p. m., where he will be glad to receive any one needing his advice or assistance. In the future he will be at the Hotel Dallas, Monday, Wednesday and Friday of each week.

Word was received this week of the death at Salisbury, Missouri, of Miss R. J. Leonard, sister of C. W. Leonard, who is well known in this county. The death occurred November 10 at the home of Miss Leonard.

"Dick" Carlin, superintendent of the sporting goods department with the Honeyman Hardware Company, spent Sunday in Independence, the guest of Dr. and Mrs. O. D. Butler. He left on Tuesday morning for Corvallis.

Miss Iva Cooper, daughter of J. R. Cooper, came up from Portland this week to spend her holiday vacation with her parents. She is taking a course at the Good Samaritan hospital, for the purpose of becoming a trained nurse.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by P. M. Kirkland.

Many New Settlers for Oregon.

Thousands of new settlers have come to Oregon and Washington during the period that the low one-way colonist rates were in effect and are now building permanent homes here. On the O. R. & N. lines alone, 7164 homeseekers came to the northwest between September 15 and October 15. This is a very satisfactory increase over the travel of this kind during a similar period of last fall, and shows that the tide of immigration is steadily growing stronger to this favored section of the country.

Perfection of Detail

Bridge & Beach Superior

These heaters give you satisfaction. They warm the apartments better than any other stove, because they are made to throw out the heat. You know that with some heaters you are freezing when the stove is red hot. Those are not the SUPERIOR—they are wood eaters.

Our Superior Steel Ranges embody best construction and features in these popular style range. Attractively nickled, malleable iron, joined with cold driven rivets are some of the features of this fine range. It is not an ordinary range. It is not bolted together so that in a short time the bolts work loose, the putty drops out and "air leaks" come in, causing waste of fuel and slow baking. The Superior Steel range is perfection in every construction detail.

ANSWERS EVERY CALL

Independence People Have Found That This Is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific.

Many Independence People rely on it.

Here is Independence proof.

Mrs. Sarah Burright, Independence, Ore., says: "We have used Doan's Kidney Pills and have found them to be an excellent remedy for kidney complaint. My husband suffered from a lame back and received but little relief from the remedies he tried. My son also had a weakness of the kidneys and in both instances Doan's Kidney Pills cured the trouble. I was bothered by a bearing-down pain in my hips and a tired and languid feeling. I procured Doan's Kidney Pills at P. M. Kirkland's drug store, took them as directed and they cured me promptly. I am glad to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster - Millburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

Oregon Salmon Hatchery Opened.

The Bonneville salmon hatchery, the biggest in the world, which will be the central fish hatchery for this state, was opened Monday with appropriate exercises. Governor Benson, State Treasurer Steel, Fish Warden McAllister, of Oregon, and Fish Commissioner Riesland of Washington, together with a number of prominent cannerymen of both states, attended. The new hatchery is a model plant, and has a capacity of 60,000,000 eggs, there being now about 20,000,000 on hand. Nursery and feeding ponds are provided for 3,000,000 young fish.

Kills Her Foe of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female Complaints, its unequalled. Only 50c at all druggists.

After skating luncheons are very popular. You can telephone your orders for oysters from the skating rink and thus be sure of quick and prompt service at the Gem Restaurant. 1911
