

# CONVENTION OF STATE DAIRYMEN

Oregon dairymen will meet in Portland December 9 and 10 and plans already under way for the gathering indicate it will be one of the most interesting conventions in the history of the association. There will be a large attendance of dairymen from both Washington and Oregon and a fine lot of exhibits of dairy products.

One prominent creamery will exhibit over fifty kinds of cheese gathered from all over the world. This showing is bound to be of very great interest.

T. H. Wilcox, president of the Portland Flouring Mills, has offered prizes of \$50 and \$25 for the best exhibits of dairy products at the convention and competition for the prizes will be keen.

The program as now planned is an excellent one. Among the most prominent speakers will be Mr. Raaf of Washington, D. C., chief of the dairy division of the department of agriculture, who will be in attendance. Others of note will speak.

The convention will be held in the W. O. W. hall on Eleventh street, near Alder. Attendance promises to be unusually large because of the fact that the Oregon State Horticultural Society holds its annual meeting just before the dairymen's convention and many will attend both gatherings.
