TEACHERS WILL MEET TOGETHER

School principals from all the schools of the county met in Dallas last Saturday at the office of County School Superintendent H. C. Seymour having been called together for the purpose of organizing a principals' club. The purpose of the club is to take up a line of school supervision and administration and such other work as pertains to the betterment of the schools of the county.

The club met with hearty organization. Meetings will be held once a month in the office of county school superintendent. At these meetings arrangements are being made to have with the principals an instructor from the University of Oregon.

Superintendent Seymour, who is instrumental in the organization of the principals' club, says that all teachers of the county who may desire will be received into the organization.

ANSWERS EVERY CALL

Independence People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific.

Many Independence People rely on it.

Here is Independence proof.

Mrs. Sarah Burright, Independence, Ore., says: "We have used Doan's Kidney Pills and have found them to be an excellent remedy for kidney complaint. My husband suffered from a lame back and received but little relief from the remedies he tried. My son also had a weakness of the kidneys and in both instances Doan's Kidney Pills cured the trouble. I was bothered by a bearing-down pain in my hips and a tired and languid feeling. I procured Doan's Kidney Pills at P. M. Kirkland's drug store, took them as directed and they cured me promptly. I am glad to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster - Millburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

90 Miles of Hard Pavement

Oregon's chief city is going ahead as never before in its history. Portland is growing because the state at large is prosperous and is constantly increasing its wealth. Plans to beautify the city by following a comprehensive scheme of city building are now receiving a great deal of attention. Mayor Simon announces that during the coming year ninety miles of hard surface pavement will be put down, making the streets of the metropolis equal, if not superior, to any other city in the west. At present Portland has a total of sixty miles of hard surface pavements.

Croup Cured and a Child's Life Saved

"It affords me great pleasure to add my testimony to that of the thousands who have been benefitted by Chamberlain's Cough Remedy. My child, Andrew, when only three years old was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy," says Mrs. A. Coy, Jr., of San Antonio, Texas. This remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by P. M. Kirkland.

T. A. Riggs of Monmouth and E. W. Strong of this city are buying a 200-acre farm near Donald. They expect to divide it up and develop it.—Salem Statesman.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by P. M. Kirkland.

To Exist

is to stay on a farm with your nose down on the grindstone year after year, making barely enough to tide you over from one crop until another, or working in a prune Orchard part of the season for someone else to make enough to run your farm the next year. Are you in this class? If so, get out of the rut. Get up onto the trail and kick up a dust.

To Live

is to plant your farm out into an Apple, Pear, Peach, Prune or Cherry Orchard and raise something for which the world is crying and for which it is willing to pay. A good Orchard is the best real estate you ever had if you want to sell, and the best income producer when you want to live on Easy Street. For prices on fruit trees write to

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and its nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.
