SHORT COURSE OF SIX WEEKS

Special short courses that are bound to be of great interest to many throughout the state are offered during the winter by the Oregon Agricultural College. These courses will commence January 4 and continue for a period of six weeks. There will also be a special short course covering a period of five days commencing Monday, February 11, offered particularly for those who are unable to take the longer course. These short courses are of especial value to practical farmers, horticulturists and stockmen throughout the state.

Every department of the agricultural college will take part in these courses. Lectures and demonstrations will be given in the subjects of general agriculture, dairying, horticulture, mechanical arts, domestic science, forestry and commerce. Taught as these subjects will be by experts, with many object lessons of what is accomplished on the college farm, those who take the courses cannot fail to receive great benefit.

Valuable co-operation will be lent the college staff by practical men largely responsible for the success of large farms, orchards, dairies and stock ranches of the state. Exhibits in all these lines will be made and the railroads have agreed to carry the exhibits without charge. There are no entrance examinations required for these short courses. The only expenses will be for board and room, which will cost from \$3.50 to \$4.50 per week, and laboratory and registration fees that will amount to not more than \$3 in any one course. There will be no fees connected with the five-days' course.

Kills Her Foe of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female Complaints, its unequalled. Only 50c at all druggists.

Mr. and Mrs. Lownes, who last summer purchased the O'Brien fruit farm in Polk county, will set out, this winter, 150 acres of walnuts and apples. Mr. and Mrs. Lownes formerly lived in Montana and have been on their Polk county place for about a month. They are very enthusiastic over the fruit outlook of the Willamette valley.—Salem Statesman.

A Peculiar Wrench

of the foot or ankle may produce a very serious sprain. A sprain is more painful than a break. In all sprains, cuts, burns and scalds Ballard's Snow Liniment is the best thing to use. Relieves the pain instantly, reduces swelling, is a perfect antiseptic and heals rapidly.

Price 25c, 50c and \$1.00. Sold by Williams Drug Co.

Perfection of Detail

Bridge & Beach Superior

These heaters give you satisfaction. They warm the apartments better than any other stove, because they are made to throw out the heat. You know that with some heaters you are freezing when the stove is red hot. These are not the SUPERIOR—they are wood eaters.

Our Superior Steel Range embodies best construction and features in these popular style ranges. Attractively nickled, malleable iron, joined with cold driven rivets are some of the features of this fine range. It is not an ordinary range. It is not bolted together so that in a short time the bolts work loose, the putty drops out and "air leaks" come in, causing waste of fuel and slow baking. The Superior Steel range is perfection in every construction detail.
