B. F. JONES IS TO BE RECEIVER

B. F. Jones of this city has been appointed, through Senator Bourne, to the office of receiver of the land office at Roseburg, to succeed B. L. Eddy, whose term of office expires the 18th inst. The president has confirmed the appointment and Mr. Jones will take up the duties of the office as soon as Mr. Eddy's term expires.

The appointment of Mr. Jones to the Roseburg land office is in recognition of his valuable services to Mr. Bourne in his election to the United States Senate. He has served three terms as a member of the lower house in the Oregon legislature, and at the 1907 session helped to elect Bourne senator.

While living at Toledo, Lincoln county, Mr. Jones in the general election of June, 1902, was elected State representative from that county and served at the 1903 session of the legislature. He subsequently removed to Independence and in June, 1906, was elected joint representative from Folk and Lincoln. Two years later he was re-elected to the same office and during the meeting of the legislature last winter was one of the most rabid Statement No. 1 members of the lower house.

During the campaign which preceded the organization of the legislature last winter, Mr. Jones at one time was talked of as the candidate of the Statement forces for Speaker of the House.

The appointment was a surprise to friends of Mr. Jones in this city and it is understood that the office came unsought to him. The news of the appointment contained in the press dispatches was the first information received by either Mr. Jones or his friends.

Ill Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neg-

lected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by P. M. Kirkland.

Card of Thanks.

The family of the late Louis F. Blanchard desires to thank the friends and neighbors of Independence for the assistance and sympathy extended at the death and burial of the late Louis F. Blanchard and for the floral remembrances.

After skating luncheons are very popular. You can telephone your orders for oysters from the skating rink and thus be sure of quick and prompt service at the Gem Restaurant. 1914

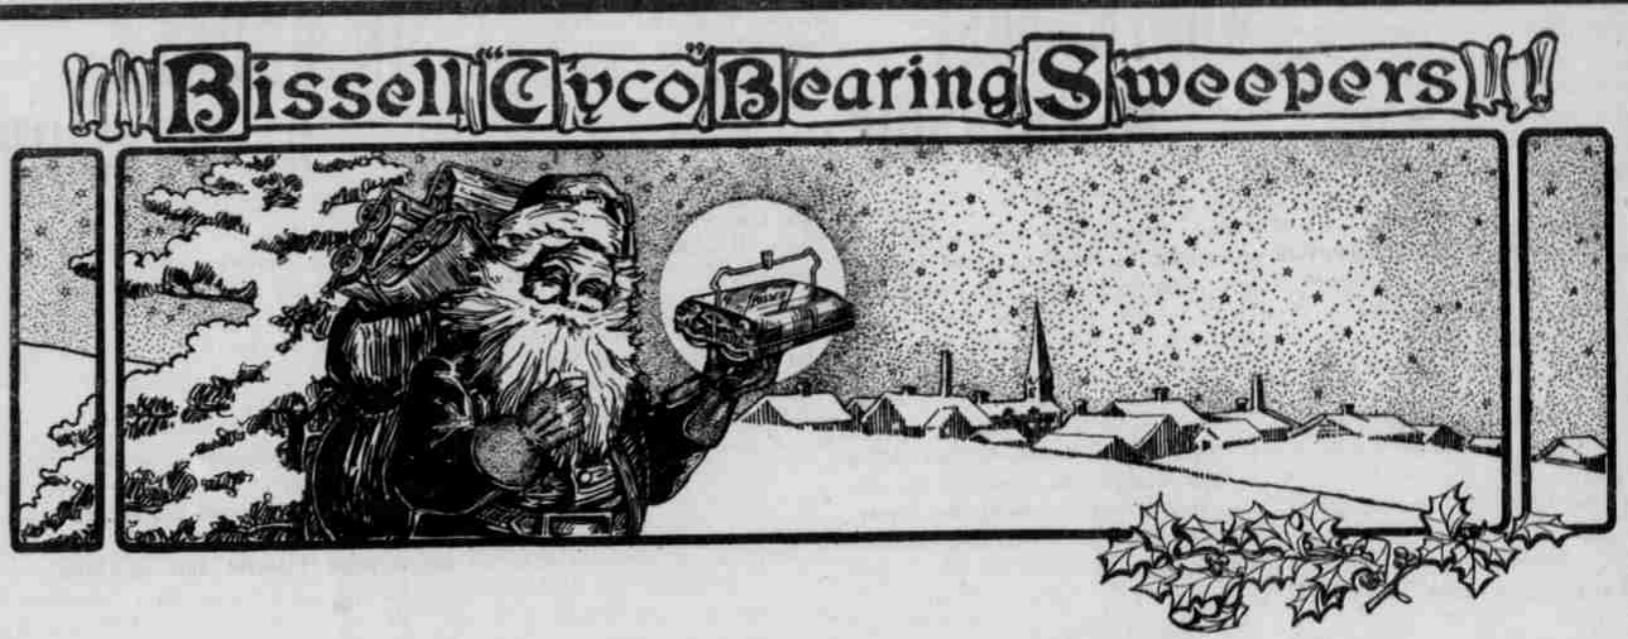

Temperance Workers Organize.

A number of the young men of Independence met at the home of Rev. Maynard R. Thompson last Monday Class. The purpose of the organization is, according to the founder, M. A. Hudson of Syracuse, N. Y., the rescue of young men from the paths of sin. A constitution was adopted at the meeting Monday night and a few officers were elected, but owing to the small number of young men present at the meeting, all of the offices were not filled. The object of the club is to impress young men with the manliness of Christian life and to interest them in Sunday school and the study of the bible and to provide for them elevating and refined amusements, such as socials, athletics etc.

Young men above the age of sixteen and under the age of forty are eligible to membership. Those interested in the movement can have a chance to become members if they will attend Sunday school at the Baptist church next Sunday or any following Sunday.

On Thursday morning D. W. Cummins, who has been in the real estate business in this city for the past few months, left for Ceres, California, where he has purchased a fine little ranch. His wife left several weeks ago for the east to visit relatives and friends. She will join Mr. Cummins in California after the holidays. During their residence in Independence Mr. and Mrs. Cummins have made many friends who regret their removal from this place.
