HIGHLAND NEWS

Robert Simon on Tuesday sold a horse to Frank Turner of Hopdale.

Dell Grigsby and Jim Davis were Independence visitors Monday.

Gail Alexander was transacting business in Independence Tuesday.

A number of Highlanders spent Tuesday with Mr. and Mrs. Robert Simon, among them being Mr. and Mrs. A. Hannon and Mr. and Mrs. P. Shafer.

A Flickinger of Suver on Tuesday while in Highland looking for seed wheat, experienced a sensational runaway. He had driven to Henry McMurry's farm to enquire for wheat when his horse, which was rather young and nervous, began to kick and did not stop until he had completely demolished the cart and, with a plunge, threw Henry McMurry and Mr. Flickinger, both of whom had seized him by the bridle, to one side and bolted, leaving Mr. Flickinger on foot. The last seen of Mr. Flickinger he was counting ties toward Suver.

The social dance and party given at the home of A. Hannon Wednesday night in honor of his daughter, Bertha, attaining her fifteenth birthday, was one of the greatest events given in Highland for a number of years. In the nature of a surprise to Miss Bertha, it was a complete success. A most tempting repast was served by Mrs. Hannon just before midnight. There were twenty-six plates set, and every one did ample justice to the repast. Those present were Mr. and Mrs. Emerson, Mr. Bal-

lard and family, Lonor Compton, Clin Agee, Miss Tinnie Kizer, C. E. Nash, Jim Kizer, Norval, Ruth, Bertha and George Stapleton.

On Wednesday two stray dogs got mixed up with John Compton's sheep, killing three and crippling ten more, some of which are not expected to live. Mr. Compton succeeded in filling one of the dogs with bird shot but it was able to drag itself as far as Dave Stapleton's where Dave Haley, thinking some careless hunter had accidentally shot it, put it in the barn. The animal was a bird dog.

Quite a crowd attended the literary meeting at the school house Saturday night. The old society turned their backs etc. over to the new society. New members were enrolled, making a total of thirty. After the society work was finished, sides were chosen and thirty minutes were spent in a spelling contest.

R. W. Addison lost five sheep by dogs or an unknown animal the night before the dogs got in Mr. Compton's band.

Walter Kizer drove over to Peter Shafer's Sunday and tied his horse in the buggy shed. While Walter was in the house the horse thought to take French leave, with the result that he tore a portion of the shed down and hung up on the gate post with the buggy turned topsyturvy. The only damage sustained was the breaking of the cross bar and single tree.

D. W. Haley and family spent Sunday with Mr. Shafer and family.

Mr. Lee of Scio spent Saturday and a portion of Sunday with Silas Compton.

The Guild Bros. have been quite ill the past week with lagrippe.

Mr. and Mrs. A. Hannon took their daughter, Bertha, to Independence Saturday, where they left her to take treatment of an osteopath.

D. W. Haley sold a colt to Omer Murphy Saturday for \$175.

Big preparations are being made for a most successful meeting of the literary society Saturday night. Every one come out and have an en-

joyable time and aid us by your presence.

selves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Can Independence residents demand more convincing proof than the following:

S. M. Ray, Main St., Dallas, Ore., says: "The public statement I gave in favor of Doan's Kidney Pills in 1907 still holds good. For a long time I had backache and could get no relief. I felt all tired out and I knew that something was wrong with my kidneys. Before I had taken Doan's Kidney Pills long, I felt better and the lapse of time has proven my cure to be a permanent one. Doan's Kidney Pills are a most efficient remedy in case of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
