LOOK WHAT IS DOING IN SALEM!

EXTRAORDINARY SACRIFICE SALE OF SPLENDID STOCK OF STANDARD MAKES OF PIANOS CREATES INTENSE EXCITEMENT THROUGHOUT VALLEY.

(See handbills for full details.)

Having received a big reduction in price upon an exceptionally large order of pianos from the factory the firm of Wenger & Cherrington, Salem's leading music house, is now in the midst of an extraordinary sale of a stock of 100 elegant instruments of standard makes at such a scale of unprecedented prices and terms as to reduce the sale to a practical GIFT-GIVING event.

There are two prime objects to be gained as a result of this sale—profit-making being entirely out of the question—and these are: First, by disposing of these splendid instruments at such heretofore-unheard-of prices 100 households will have been made immeasurably happy and their inmates thereby become the everlasting friends of their benefactors (Wenger & Cherrington) and, second, to ascertain the best medium of advertising. To determine this latter object an Advertising Test Certificate is printed in each issue of the daily papers of Salem, and upon a quantity of handbills distributed throughout the territory, and it is only necessary to cut out one of these certificates, sign your name and present same at our store in Salem, select your piano, and this certificate applies as \$30 cash credit upon the purchase price of the instrument.

Another Startling Inducement

Furthermore, if you choose to make a further payment when you select your piano, we pay a premium of \$1 for every dollar up to the amount of the certificate (\$30) that you pay us. That is to say: A \$30 certificate and \$30 in cash entitles you to a credit of \$90 upon the purchase price of the instrument.

We Pay Your Expenses.

In order to give our out-of-town friends an equal chance to avail themselves of the marvelous opportunity to secure an elegant piano at practically wholesale prices, equal to those more fortunately and conveniently situated in the city, we propose to make a further reduction from the purchase price of a piano of the actual amount of expenses incurred by purchasers who attend this sale from a distance. This concession, of course, applies only to out-of-town purchasers.

Terms Like Paying Rent

Bear in mind that the prices are reduced to about wholesale. Also bear in mind that you need no cash payment other than the advertising test certificate when you select your piano and the balance can be paid in monthly payments of \$12, \$16, \$8; yes, even \$6. Remember that these pianos are the latest, choicest, brand new, especially selected instruments from the foremost greatest and most trustworthy American piano makers, and every piano is unconditionally guaranteed.

Some of Our Bargains

For \$148 you will secure pianos which have never been sold for less than \$215 before; \$167 and \$198 will secure such grades as are never obtained elsewhere for less than \$250 and \$300. Some magnificent \$400 styles now \$274, and the plainer cases, same make, \$225. Sale prices on the very fanciest of \$450 and \$500 styles are now \$298, \$307 and \$328. Terms as best suits your convenience. Remember, sale is now well under way and pianos are moving fast at prices that will not hold them long, so it's to your interest to come as soon as possible.
