

IN INTEREST OF HORTICULTURE

The Enterprise is in receipt of a letter from P. O. Powell, secretary of the Horticultural Society of Monmouth, announcing that M. O. Lowndale of Lafayette will be at Monmouth on the 17th of March to talk before that body on horticultural matters. This bit of news will be welcomed by the horticulturists of this part of the valley since Mr. Lowndale is a marketing. He has the reputation of high authority on orchard culture and

marketing. He has the reputation of having the largest and most up-to-date orchard in the Willamette valley. It will well repay any who are interested in fruit culture to be in attendance at this lecture, even to come for many miles to hear him. The lecture will be held in the commercial club rooms of Monmouth after 7:30 p. m.

For that Terrible Itching.

Eczema, tetter and salt rheum keep their victims in perpetual torment. The application of Chamberlain's Salve will instantly allay this itching, and many cases have been cured by its use. For sale by P. M. Kirkland.
