

DR. DUNSMORE IS SURPRISED

A social event of the season was the surprise tendered Dr. H. Chas. Dunsmore, the popular pastor of Calvary Presbyterian church, Saturday evening at the church, the occasion being the doctor's fiftieth birthday.

After the guests were assembled in the darkened building, a messenger was dispatched to the manse to tell Dr. Dunsmore that some persons, "presumably boys," were in the church, and requesting him to investigate. He came at once, not even stopping to get coat and hat. When he turned on the lights he was greeted with a lusty yell, as follows:

We're the surprisers,
Hold, hold, hold;
Dr. Dunsmore,
Fifty years old.
He's our pastor.
Bliss, Bliss, Bliss;
Many more birthdays
Just like this.

The surprise was complete when, after a short program, Mr. Merwin in a few well chosen words, presented Dr. Dunsmore with a purse of \$58.00 as a token of love and esteem from his many friends. The doctor was visibly affected and for a moment his ready speech deserted him, but recovering himself quickly, he responded in his usual happy way, saying that after this expression of affection he would be content to spend the remainder of his life among us. Games, conversation and a dainty lunch, completed the evening's entertainment. The guests departed at a late hour, wishing Dr. Dunsmore many happy returns.

Congratulations from Salem

Independence has voted bonds for a high school.

That means that the little business city upon the river bank is going to take up progress on modern lines.

A full twelve-grade high school course is to be established and carried on in a special fine new building.

That is the right spirit and will do a great deal to advance the little city of Independence.

It is the only way to keep the best class of citizens from sending their children away to be educated.

It is the way to bring many new families to live in Independence and educate their children there.

It is the wisest and most progressive move made by Independence in many a day. Congratulations.

Saved A Soldier's Life.

Facing death from shot and shell in the civil war was more agreeable to J. A. Stone of Kemp, Tex., than facing it from what doctors said was consumption. "I contracted a stubborn cold" he writes, "that developed a cough that stuck to me in spite of all remedies for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." For Coughs, Colds, La Grippe, Asthma, Hemorrhage, Hoarseness, Croup, Whooping Cough

and lung trouble, it is supreme. 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Editor Minton Visits Independence

C. D. Minton, editor of the Oregon Agriculturist, was a recent visitor in Independence. Mr. Minton is very enthusiastic about the great progress that is being made in the Willamette valley and the many fine improvements in Independence. He has been compelled, through the great volume of business carried by his paper, to add an additional four pages, making it now a twenty-four-page paper where it was originally sixteen when he purchased it. It is now considered the leading semi-monthly farm paper published on the coast.

Ask the Man Who Knows

Ask the man who knows, the man who now has a bearing orchard, or the man that probably has some five or six year old trees that has refused \$500 or \$700 per acre for his orchard, not the man that sits around and waits for something to happen. 371f
