State of Oregon, County of Polk, ss.
J. R. Collins and Ida A. Collins, husband and wife, of lawful age, being first duly sworn, say: That it is true that we entertained F. F. Leonard

at our house for dinner, but at no time did we, or either of us ask him to visit our son, Roy E. Collins, or to "labor" with him about religious matters.

That so far as we know, he went entirely of his own volition and without any urging or invitation on our part, notwithstanding he has sworn that we repeatedly asked him to make such visit, and he perjures himself in thus swearing.

ANNUAL HORSE SHOW AT SALEM

The Annual Horse Show at Salem has come to be one of the most important events of the year in the Willamette valley, and this year it is to be a two-days' event, Friday and Saturday, April 8 and 9.

The feature of the second day will be the live stock sale, which will take place in the afternoon. It is expected that buyers and sellers will both assemble from all parts of the valley, and as the entries of stock for sale are to be printed in catalogue form and mailed broadcast there should be no difficulty in finding buyers for all the available horses in the country.

Last year the Horse Show was equal to the horse show at the Oregon State Fair in many particulars, and 40,000 people were in the city

to witness the event. This year it is expected that at least 50,000 will be guests of the Capital City during the two days of the show, and low rates for round trips have been granted on all railroads.

The Horse Show Association, of which C. L. Dick is president and R. C. Paulus secretary, has effected a permanent organization so that this event will be handled in a business-like manner from year to year. It is planned to erect bleachers and grandstands along the streets, which will be carefully taken down and stored for another season, and a movement is already on foot to erect a \$25,000 auditorium in which this event may be held in the future.

An Ideal Cough Medicine

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Wiltshire of Gwynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough Medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine, it certainly makes a most safe, pleasant and efficacious remedy for the ills it is intended." For sale by P. M. Kirkland.

Road Campaign Opens

With Judge Lionel R. Webster in charge, headquarters have been opened in Portland by the Oregon Good Roads Association and it is planned to wage an active campaign constantly for good roads throughout the state. Funds to carry on the work have been subscribed and not only will good roads legislation be fathered but demonstrations of approved road making will be carried on and it is hoped to secure the appointment of a highway commission. Much good is expected to result from the campaign.

For Diseases of the Skin.

Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by P. M. Kirkland.

Stiff Neck.

Stiff neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by P. M. Kirkland.
