After having been fined five dollars for maintaining a barbed wire fence in violation of the city ordinance and given a reasonable time to remove same, W. H. Mathews was again brought into court charged with the second offense. The jury brought in a verdict of guilty and upon default of the payment of a thirty-dollar fine, Mr. Mathews was committed to the city prison to serve a fifteen days' sentence.

The case of the State vs. C. O. Johnson, foreman of the Falls City Lumber Company, was presented to a competent jury Friday, Justice Hubbard presiding. A complaint was made by game wardens charging the company with allowing saw dust to run into the Luckiamute river contrary to the statutes. The company, instead of pleading guilty in order to avoid legal procedure, as they previously did, demanded a trial by jury. The finding of the jury was in favor of the defendant; that the company operated its plant as near in compliance with the law as possible.
