ENTERPRISE TO HOLD CONTEST

This week the Enterprise will begin one of the greatest voting contests that has ever taken place in Polk county. More than \$500 worth of prizes are to be given away absolutely free to those who take part in the contest. The capital prize is a splendid piano, finished in mahogany and of one of the better makes. The instrument is now on display in the office of the Enterprise where it may be seen.

In addition to the large amount expended in prizes there will be given away a ten-dollar gold piece to the man or woman who nominates the successful candidate. Nomination blanks can be found in another column of this paper. Clip out the coupon and name your favorite candidate and take a chance for the gold piece. There are no strings on any of the prizes.

The contest will be for the assistance in a campaign for new subscribers. With the magnificent list of prizes which are to be given away there is no doubt that the voting will be the grandest event ever pulled off in this part of the Willamette valley. Besides the piano, valued at \$350, there will be given away a diamond ring, valued at \$75, which can be seen on display at O. A. Kramer's jewelry store in this city. A round trip ticket is being arranged for to Los Angeles. Another of the beautiful presents which is included with the list of prizes is a handsome ladies' desk which can also be seen at this office. Another of the prizes is a handsome hall clock, standing more than four feet high and of solid oak. The total amount of the prizes which are contemplated amount to \$525.

Complete details of the contest will be given in the forth-coming edition of the Enterprise of next week. Watch for the big announcement, and be prepared to take an active part in the great work.

Those people who enter the contest and do not win a prize will be paid ten per cent of all money which they bring into this office, so that everyone will get something for their work.

For every new subscriber secured for the Enterprise 450 votes will be allowed the candidate and for every renewal to the Enterprise 150 votes will be allowed. It is expected that advertising contracts will also be allowed to count on the contest. If this is arranged every contract of 100 inches, to be consumed within the year, 200 counts will be allowed, on 200 inches, 400 counts and so on, 500 inches 1000 counts, on 1000 inches 2000 counts, and so on.

Name your candidate and get in line for the first prize of \$10 in gold.
