Lion Fondles A Child.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Colds, Croup and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of croup," writes Mrs. George B. Davis, of Flat Rock, N. C. "We always give it to him when he takes cold. It's a wonderful medicine for babies." Best for coughs, colds, Lagrippe, asthma, hemorrhages, weak lungs. 50c. \$1.00. Trial bottle free. Guaranteed by all druggists.

Undergoes Operation

Dr. Morse and his office assistant, Miss Lawrence, came up from Salem Tuesday, and assisted by Dr. Allen, performed a delicate surgical operation upon Mrs. C. V. Clodfelter. It was entirely successful and the lady is rapidly improving under the care of Miss Williams, a professional nurse from Salem.—Jefferson Review.

Mrs. Clodfelter is related to several of the families of Independence and is besides well known here.

Rockefeller to Mend Roads

William Rockefeller, it was announced recently, will spend \$50,000 to repair Broadway from the North Tarrytown (N. Y.) village line to the south line of Briarcliff. The road in front of Mr. Rockefeller's estate has been in bad condition all summer. Mr. Rockefeller rides back and forth to his office in New York every day in his automobile and has been greatly inconvenienced by the condition of the road.

The road to be repaired is more than a mile long. It is proposed to build a roadway thirty-three feet wide between gutters, and the central part to a width of twenty feet will be bricked with pavement blocks. On each hill a special block will be used. Mr. Rockefeller thinks this road will afford a model that will be followed by town authorities who are looking for a road to stand up under the automobile traffic. Mr. Rockefeller was the first person in the county to apply oil to roads, and he is the first to try this kind of automobile road there.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptoms of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Independence citizen.

J. A. Simmons, Log Cabin St., Independence, Ore., says: "I do not believe I would be alive today were it not for Doan's Kidney Pills. I suffered for a long time from kidney trouble and lumbago. The kidney secretions were too frequent and painful in passage and caused me much annoyance. I tried a number of remedies, but was not helped until I began using Doan's Kidney Pills. They benefitted me from the first and I am now free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Operation Unnecessary

The many friends of Miss Bertha Sharp will be glad to know that she is home from the hospital in Portland and is much improved in health. She was taken there with the expectation of undergoing an operation, but fortunately the physicians were able to give treatment which was successful, making the operation unnecessary.
