Coming Ball Game

The second league game of base ball will be played at Hill's base ball park, Saturday, May 7. The opposing teams will be Falls City and Independence high schools. This will be a good game as Falls City and Independence have each won one game and lost none. Falls City has 1000 per cent; so has Independence. Com and yell for Falls City's per cent to drop to 500 and Independence's to stay where it is.

**VOTE RESULTS
IN DEADLOCK**

The city council met in regular session last Wednesday night. The following business was a part of that which came before them on that night:

The plans and specifications as prepared by J. H. Hall were adopted by the council and Mr. Hall was duly

elected to the office of city engineer to have supervision of the work of laying the system of sewers.

Bids were ordered to be advertised in the Independence Enterprise for the construction of the system of sewers, to be opened on the 21st of May.

Bills amounting to \$255.50 were duly audited by the council.

In the matter of electing a marshal for the city the balloting ended in a tie—three for Feagles and three for Taylor. At the opening of the ballots there were a number of candidates in the field, but the number finally narrowed down to the two can-

didates. As a result of the tie the election of a marshal was laid over until the next regular meeting to take place two weeks later.
