ELECTRIC LINES TO BE EXTENDED

The visit of James J. Hill and party to Portland during the past week has been of great significance. Accompanied by railroad officials, Louis W. Hill has left Portland to make a tour of the state. He will cross central Oregon and see for himself what the tonnage possibilities of that great region are. After this trip, it is expected that a definite announcement will be made as to the expected east and west lines across the state. While in Portland, Mr. Hill talked freely and his statements mean much for Oregon. He confirmed his purchase of the Oregon Electric and United Railways, interurban systems running out of Portland, and says he will extend them down the Willamette valley. He also confirmed his purchase of the Pacific & Eastern but said it was yet too early to talk of a connecting road clear across the state. The Deschutes road will of course go ahead as fast as possible, he said, and besides all this railroad activity in the state, Mr. Hill proposes to do a great deal in securing publicity for Oregon throughout the east and middle west.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.
A sound stomach makes for good citizenship as well as for health and happiness.
Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of
DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.
It builds up the body with sound flesh and solid muscle.
The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations.
Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.
