## CADETS MAKE GOOD SHOWING

The annual military day at the Oregon Agricultural College is assuming significant proportions as a social event and is attracting state-wide attention. For the occasion many visitors from all parts of the state come to the campus and in the future this will be encouraged by offering special rates on the railroads of the state.

This year was a brilliant success. The day was ideal and the campus at its best. The white dresses of the women, the full dress uniforms of the visiting officers and the drab suits of the cadets made a gay setting for the peaceful campus.

Military activities commenced with the first bugle call in the morning and there was no cessation until taps were sounded at 11:30 at night. Captain Lenihan, War Department inspector, spent the entire forenoon in a careful inspection of the cadet regiment. In the afternoon Colonel McGunagle, commanding the Vancouver barracks, reviewed the student troops. Following this the companies drilled for the Brodie Banner which was won by Company M., Captain Rowe commanding. The evening exercises were held in the gymnasium and consisted of individual competitive drills, Butt's musical saber drill by the officers and closed with a military drill.

The cadets have high hopes of being ranked as the best cadet regiment in the United States. The regiment was ranked as one of the three best last year.

callists in the city. The public are cordially invited to all these services.

#### Christian Church

The interest in the little white church building toward the north, not far from the foot bridge, was excellent last Sunday. The sermon of "Mother" seemed to make a deep impression on all hearts. Next Sunday morning the pastor will preach about "The Sine qua non of Christian Un-

ion". This will be a sermon of special importance to the church life. It ought to be heard by all the members and others. The evening subject will be "The Lord's Passover". Friends are requested to come early, say 7:30, for a preparatory service of song, prayer and testimony. The Bible school meets at ten, with Forest Finch as superintendent. The young people meet this evening with the purpose of fully organizing the clubs. All young people who will study the Bible with us are cordially invited to the church tonight (Friday). Meeting of the officers and teachers of the school, Tuesday evening. Meeting for Bible study and prayer, Wednesday evening. "The Spirit and the Bride (church) say 'Come.'" Maynard R. Thompson.

## REACHING THE RENTING AGENT

House Hunting is made easy by the use of the Telephone.

Few people realize how much business they can do and how quickly they can do it over the wire. It is not even necessary to be in the same town, because the Long Distance Service of the Bell System brings every one within talking distance.

In all business and social affairs of life people put their trust in the Bell Service because it is universal.

# Studebaker Wagons AND CARRIAGES

We have the celebrated line of *Studebaker* wagons and carriages again this season. These rigs are especially adapted to the trade of the Pacific coast and give more universal satisfaction than any make of vehicle. They are stronger in every particular than any other ordinary vehicle. It is the peer of all farm wagons — first in the hearts of the farmers. Modest in price, strongly recommended.
