FREE TRIP TO MEXICO

The Chas. E. Hicks Real Estate Co. is authorized by the Mexico American Land Co. of Kansas City, Mo., to offer to take a representative from this county to see the great "Fortuna" tract land on the southern gul coast in the Republic of Mexico, and return, absolutely free—free railroad fare, free sleeping car berth, free meals, and arrange various free entertainments for this enjoyable midsummer excursion.

THE REPRESENTATIVE

to be chosen by the citizens of this county and to accompany the excursion as the special guest of this company, the excursion to start from Kansas City.

WEDNESDAY, JUNE 22, 1910

In special Pullman cars provided by the company carrying representatives from all over the country. This is the greatest undertaking ever undertaken by any land company. Arrangements are now being made for the entertainment of the excursion party. In addition to showing the splendid "Fortuna" tract of land, comprising 162,000 acres of the richest land in the world and the delightful country surrounding the same, special facilities will be had on this excursion to instruct the representatives in all matters of interest pertaining to the Republic of Mexico; including an investigation of the laws, the customs of the people, the stability of the Mexican government; and afford the representatives an opportunity to study personally the conditions that exist in that most favored land of opportunity. There will be shown the fertile lands in a district blessed with ample and seasonable rainfall for all the immense variety of valuable crops shown there. There will be shown and explained the splendid profits to be made on this chosen land from the growing of corn, tobacco, rice, sugar cane, bananas, oranges, lemons, grape fruit, pineapples, coffee, rubber, chocolate and many other products. There will be shown a district where cattle, horses, hogs and poultry flourish all the year around without shelter, and are matured with but little expense. A country where nature has lavishly bestowed her most abundant favors, a country that is now awakening and presentin to the American homeseekers and investors opportunities that cannot be found elsewhere, will be shown. There will be shown a tropical country at the midsummer season; showing, that even at this season, the climate is ideal—the days pleasant, the nights cool and invigorating. Splendid streams of water will be shown, pure and clear as crystal, flowing through the chosen lands to the gulf. All this is to be done at the expense of the company, and return to the states in two weeks, if the excursionists so desire.

All information and rules governing this great free excursion will be furnished by
