

LOUIS W. HILL IS SURPRISED

Of remarkable significance to Oregon was the journey of Louis W. Hill and party through the interior of the state, when the Great Northern magazine covered 1500 miles by automobile. The results of this trip will be of great value to the state. The impressions President Hill gained of the state are certain to bring tremendous boosts.

"Oregon is a wonderful state," declared Mr. Hill upon his return to Portland. "This is a state that will grow anything. My impressions of the trip would fill a book, but the one thing above all others is that the Great Northern will assist in doubling the state's population in the next two years. And railroads will be built in every direction. I see room for many good roads."

"The Great Northern is going to open up Oregon and I feel that the people are with us. I never met more enthusiasm anywhere. Everywhere we were welcomed in a way that bespoke genuine sympathy and deep enthusiasm. To say that the trip was a revelation is putting it mildly."

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Diseases Cause Half the Common Aches and Ills of Independence People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetizing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. No need to take the statement of someone living far away as evidence.

Here's a case right in this locality. E. Woods, 22 North 5th St., Salem, Ore., says: "It gives me pleasure to recommend Doan's Kidney Pills. Although I have never used this remedy myself, it has been taken by members of my family for kidney and bladder trouble with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

The stock has all been subscribed and paid for and gives the bank a combined stock and surplus of \$2,500,000, the biggest in this corner of the United States.

There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can't be cured by Hall's Catarrh Cure. Send for circulars, free F. J. CHENEY & CO., Toledo, Ohio.

Queen Rhodendra has ruled during the past week at Florence, Oregon, where the annual festival of flowers has been under way. The affair was very successful and many attended from Eugene and other points in the Willamette valley. The rhododendrons in the coast country were never more beautiful and the fete attracted much attention.

Marvelous Discoveries

mark the wonderful progress of the age. Air flights on heavy machines, telegrams without wires, terrible war inventions to kill men, and that wonder of wonders—Dr. King's New Discovery—to save life when threatened by coughs, colds, lagrippe, asthma, croup, bronchitis, hemorrhages, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal. It relieves instantly. It's the surest cure. James M. Black of Asheville, N. C., R. R. No. 4, writes it cured him of an obstinate cough after all other remedies failed. 50c and \$1.00. A trial bottle free. Guaranteed by all druggists.

Bumper crops throughout the Willamette valley in hay, grains and fruits are reported. Vegetables of all kinds never looked better and the celebrated farming district where crops never fail will bear out this year its established reputation. With its rich soil, widely diversified crops, and intelligent, industrious population the Willamette valley is becoming a vast garden, tremendously rich in possibilities.

A Woman's Great Idea

is how to make herself attractive. But without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, good health. Try them. 50c at all druggists.

An event of interest to the whole state is the quarter centennial jubilee of the Oregon Agricultural College, to be held on the college campus June 10-14. Special rates have been made by the railroads and there will be a great ingathering of graduates and friends of this institution. Oregon owes a great debt of gratitude to a college that has done so much for the advancement and prosperity of the state.

MEMORIAL DAY IS OBSERVED

Monday last was Memorial Day and it was observed appropriately by a union service of all the churches at the auditorium at 10:30 on that day. The ceremonies were under the auspices of the Grand Army of the Republic and Women's Relief Corps. Several excellent musical numbers were rendered in the first part of the services which was followed by an invocation pronounced by Rev. M. R. Thompson. Scriptural lesson was read and the memorial sermon, which was a masterful effort, was delivered by Rev. Mr. Brickley of the Evangelical church of this city.

The beautiful ritualistic observance of decoration day by the Grand Army of the Republic was enacted at this time in a touching manner. All members of the G. A. R. and W. R. C. deposited a bouquet on the monument in honor of the departed heroes.
