

NEW OFFICIAL FOR RECLAMATION WORK

Famous Retired Army Engineer Will Assist in Solving Problems.

WASHINGTON.—Brigadier-General William L. Marshall, who recently retired as chief of engineers of the army, has been appointed consulting engineer of the secretary of the interior in the reclamation service. The position was created by Secretary Ballinger to assist him in solving the engineering problems involved in completing reclamation projects now under way. It was said at the interior department that the new officer would not supplant F. H. Newell, director of the reclamation service, whose fate has been the subject of much speculation ever since the lines were drawn between the Garfield and Ballinger administrations.

No Changes Likely.

It was explicitly stated that General Marshall's appointment did not indicate any change in the personnel of the field force of the reclamation service, inasmuch as he would have no supervision over the operation of the service or over the designing of construction work. He would act, it was said, in an advisory capacity to the secretary of the interior.

The creation of the new position was in accord with the wishes of the president and was in harmony with the plan of inspection by army engineers of existing reclamation projects as provided for the appointment of a board of five engineers from the engineer corps of the army to inspect the reclamation works, reporting directly to the president.

Mr. Taft has the appointment of this board now under consideration.

Those Pies of Boyhood

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? The pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion.—Stomach, Liver, Kidneys, Bowels—

Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at all druggists.

KANSAS INSURGENTS CALL ON ROOSEVELT

OYSTER BAY, L. I.—Three of the most prominent insurgents in congress visited the former president Saturday afternoon at Sagamore hill, by his invitation. They were Senator Joseph L. Bristow and Representatives Mordock and Edmund H. Madison, all of Kansas.

In a carefully prepared statement given to the newspapers after the conference, Roosevelt's present stand on matters of national concern was clearly set forth.

"We found him absolutely unchanged in his attitude towards public questions," said the statesmen. Particularizing as to the railroad bill, the statesmen declared that the former president had congratulated the insurgents on putting into that measure provisions that he considered "vitally necessary."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
