JOHN DEERE BUGGIES ARE ALL RIGHT

NEW BRIDGE IS NEAR COMPLETE

Ira Merling, of Falls City, has the contract for the bridge on the Independence road just past the Brunk place nearly completed. It will cost \$8,000 to \$9,000 and will be completed Saturday. The cut and fill on each side are to be gravelled at once and it will be a first class improvement. The old Rickreall bridge is an old landmark that will be removed. Mr. Merling has erected many first-class bridges in Polk county and built miles of good road. Polk county has more to show in the line of good smooth roads than almost any county in Western Oregon. Permanent improvements are the rule and the county judge and commissioners get something to show for the money expended. It is remarkable how much has been accomplished. — Capital Journal.

J. M. STARK IS IN AUTO WRECK

Wednesday evening of last week as John Stark and his father, J. M. Stark of the Smeede hotel, were out for an auto spin the machine was struck by a west bound car at Eleventh and Oak streets, wrecking the car, and seriously injuring Mr. Stark.

It is a blind corner and Johnnie set the brake on the auto as soon as he knew the car was coming, but it failed to hold and he ran onto the track in front of the car which struck it squarely in the center, carrying and pushing it along for 50 or 60 feet. The body of the machine was badly damaged, the fender was broken off the street car and the glass in the front windows broken out. Passengers on the street car say the motor-man reversed the current and did all he could to avoid the collision but could not overcome its momentum. Mr. Stark received a severe cut above the left eye and was injured about the chest. He was taken to his home on West Fifth street in an auto. He was able to be up and about, however, and it is thought will be able to be about in a few days.—Eugene Register.
