Plans are under consideration by the members of the republican state central committee providing for two tours of the state by groups of state candidates. It is proposed also that the Eastern Oregon candidates for state office tour Western Oregon in a similar manner.

The work on the south jetty has been started with funds raised by the Port of Siuslaw, and about 1500 feet of the long pier has been completed. It is very solidly built, being constructed of rocks weighing up to ten tons each. The government has appropriated \$250,000 and \$50,000 of this is available for immediate use. It is expected to take three years to complete the work. The government started this 15 years ago and appropriated \$100,000, but this was insufficient and the work was stopped. The amount of jetty has already been built is said to have deepened the channel several feet.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. RETURNS FROM CANADIAN TRIP

Dayton, Ore., Aug. 14, 1910—Editor Enterprise—Dear Brother—No doubt you have learned of my recent illness and hurried trip home to Dayton. I have written Dr. Hewitt concerning my sickness and he will give you particulars.

I am improving rapidly and am

able to do light work about the farm here. Am staying at my brother-in-law's, Asa A. Nichols, for a while before going to Independence to renew acquaintances.

I read the Enterprise with a great deal of interest and satisfaction as it gives me the news in brief and am glad to note the air of improvement and prosperity that seems to be invading our city. May the good work go on. I trust I shall soon be able to visit you in your new quarters.

With best regards to all, I am, yours in F. L. T., J. G. McINTOSH.
