MEASURES UP FOR VOTING

SALEM.—Time for filing initiative petitions has closed and the people of Oregon will be called upon to vote on a grand total of 32 measures at the coming general election. With practically each county having some local legislation coming before it and a great number of precincts voting on the question of "wet" or "dry" there will be practically 35 measures to vote on in the majority of precincts, among which are the following:

- Women's taxpaying suffrage amendment granting to all taxpayers the right of suffrage.
- A bill for the establishment of an Eastern Oregon branch State Insane asylum.
- A bill to elect delegates to a constitutional convention the second Monday in October, 1911.
- A constitutional amendment to provide a separate district for the election of each state senator and each state representative.
- A constitutional amendment to cause taxes to be collected for public purposes only and providing the power of taxation shall never be surrendered, suspended or contracted away.
- An amendment providing for state railroad building.
- An amendment providing a uniform rule of taxation.
- An act to increase the salary of the judge of the eighth judicial district.
- An act to create the county of Nesmith.
- A bill to provide for the maintenance of the normal school at Monmouth.

- An amendment giving cities and towns control over sale of liquor.
- A bill for liability of employers.
- A bill to create the county of Orchard.
- A bill to create the county of Clark.
- A bill for the support and maintenance of the normal school at Weston.

Don't Murder Your Trees.

Frequently large signboards are placed against street trees. Where they are fastened with iron bands the latter will soon cut into the very life of the tree, preventing the free circulation of the sap and thereby injuring top and root equally. It is nothing new to see trees half dead standing for years in front of handsome residences, fighting hard for life, shortened by neglect and abuse. The owner is too indolent to have the dry limbs removed, the old, exhausted soil renewed, and so improve, at least for a time, the appearance of the sufferers.

Fish Exhibit to be Shown.

SALEM.—Arrangements are now being made for a state fisheries exhibit at the State Fair. Master Fish Warden R. E. Clanton hopes to give the fair visitors some sort of a comprehensive idea as to the work which is accomplished in this department in the developing of the salmon industry, one of the features being an exhibition of the salmon in all the processes of spawning and growth. There will also be an exhibit of live fish, which he considers should be of considerable interest.

G. P. Strain, assessor of Umatilla County, has filed his declaration of intention with the secretary of state at Salem, to become a candidate for the democratic nomination for railroad commissioner.

DO IT NOW

Independence People Should Not Wait Until It is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them.

Here is one of many cases in this vicinity.

James Baragar, 1905 Mill St., Salem, Ore., says: "I have used Doan's Kidney Pills for backache and other symptoms of kidney trouble and have been greatly benefitted. I also know of other people who have taken this remedy with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.
