### LECTURER OF NOTED TALENT

Mrs. Silbaugh, who is touring the state in the interest of "Oregon Dry", is a lecturer of noted ability and will be greatly enjoyed by all who attend her meeting which is to take place this evening at the M. E. church. There are two very urgent reasons why every man and woman in Independence should attend this lecture: not because there is to be no admission charge but because she is to lecture on a subject of vital interest to every household in Independence as well as to the entire country, one that every voter will be called upon to deal with intelligently at the polls this fall; the other is the respect you owe to a public meeting being held in the city, at which your presence is expected.

Everyone should attend the educational public gatherings which will be held between now and election time. Be generous enough to listen to both sides in a controversy, especially when your interests are vitally affected. If you happen not to be generous enough to admit that the question affects you then you should allow the truth to soak in deep enough to admit that your family have some right to which you owe respect. Attend the meetings. They won't hurt you. Remember that one great man was great because he believed it when he said it: "I would rather be right than to be president."

### ERSTWHILE CONVENTIONISTS

A good sample of the reasons for fighting the republican assembly is seen in Henry E. McGinn and Dan J. Malarkey, two Irish lawyers of Portland. McGinn and Malarkey were the foremost politicians and convention leaders in the old rule and were among the real bosses in Portland.

Now to again get control of political affairs in Portland and Multnomah county, they are fighting like madmen to defeat the assembly candidates for office. And for what cause? To simply get in control again. They are both out of office, as they usually have been, and by a glimmer of hope to keep in office they are fighting the assembly and for no other reason.

They would be for or against the assembly, or any other plan, if it would give them the lead and keep them in good positions. The people are not so ignorant or dull as not to see through this thin mist. They are only a sample of that larger type there are others not so far away.—Lebanon Criticon.

Special Comes  
The Krebs special composed of

nine coaches and two baggage cars and drawn by two engines arrived in Independence Monday noon bringing five or six hundred people to assist in picking this year's hops.

The opinion of prominent growers indicates that the hop crop will be better than has formerly been estimated. It is thought that there will be about \$5,000 bales of hops harvested in this locality.

### The Lash of a Fiend

would have been about as welcome to A. Cooper of Oswego, N.Y., as a merciless lung-racking cough that defied all remedies for years. "It was most troublesome at night," he writes, "nothing helped me till I used Dr. King's New Discovery which cured me completely. I never cough at night now." Millions know its matchless merit for stubborn colds, obstinate coughs, sore lungs, lagrippe, asthma, hemorrhage, croup, whooping cough, or hay fever. It relieves quickly and never fails to satisfy. A trial convinces. 50c, \$1.00. Trial bottle free. It's positively guaranteed by all druggists.

### DO IT NOW

Independence People Should Not Wait Until It's Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them.

Here is one of many cases in this vicinity.

James Baragar, 1005 Mill St., Salem, Ore., says: "I have used Doan's Kidney Pills for backache and other symptoms of kidney trouble and have been greatly benefitted. I also know of other people who have taken this remedy with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.
