In this issue, a correspondent under the nom de plume of "A Truth Seeker" attempts to answer the article of Mrs. S. H. Cuthbert, of last week. In this reply is advanced the argument not against keeping a day, but Sunday, as a Sabbath. It maintains that Saturday is the true Sabbath.

While it is not the business of this office to foster any creed, it certainly is proper to state that the "Truth Seeker" correspondent has not answered Mrs. Cuthbert's article. In this day of individualists and biased interpretations, each believer should have charity for the other's creed. It is the general honest interpretation of the people that Sunday is the day of rest. The state laws have virtually so declared. It is proper then to expect every one to keep Sundays as rest day. If others wish to keep Saturdays, well and good, but they should be charitable to those who keep Sunday.

From reports from many of the leading hop growers it is evident that the hops of this section are superior to the crop of last year, in both quality and quantity. Krebs Bros. will harvest about 1800 bales. C. A. McLaughlin's yard will yield 1100 bales, which is 300 less than last year. His hops suffered considerably on account of the dry weather. W. W. Percival has the best yield of any of the large yards. He has sixty-five acres which will average about 2500 pounds to the acre. Mr. Damon has a three-

acre yard that will produce 9000 pounds which is the best record of any of the yards reported. Only a few yards have finished picking. It is safe to say that the yards of J. H. Burton, Horst Bros., Walker Bros., Davidson & Hodges, J. E. Hubbard, Sloper & Patton, and a number of others will yield more than last year.

Duniway's Record

If State Printer Duniway has made a saving to the taxpayers of the state of \$40,000 in three years why does he not show it by facts and figures? All this great saving is credited to utterances by the state press through articles probably written or inspired by the State Printer himself. In fact all such savings were made by the Secretary of State under conditions over which Duniway had no control. The figures quoted by William J. Clarke, the Republican, flat salary candidate, who stands alone as pledged to this great reform, are taken from the records in the Secretary of State's office. They are "material and contain facts and figures which the voter and taxpayer should know," says Judge Galloway, (democratic) circuit judge of the Third District.

He has won the Hearty Commendation of Ex-president Roosevelt
For Upholding Progressive Measures Urged by Him, while President of the United States.

Washington, May 29.—President Roosevelt today issued a statement commending the Oregon members of the House for their support of administration policies and wishing them success in the coming elections in that state. The statement follows:

The President today said goodbye to the two Oregon Congressmen, Messrs. Hawley and Ellis, and stated publicly that he took the occasion to thank them for the attitude they had consistently maintained in support of the administration's policies, and to wish them success in the election which is to take place on Monday next.

The President stated that he wished publicly to express his appreciation of the cordial manner in which the gentlemen had backed up the policies and the measures which the President felt were of such consequence for the welfare of the country, in connection, for instance, with such matters as . . . securing proper employers' liability legislation, both as regards interstate commerce and as regards the employees of the government itself; securing child labor legislation, and the effort to secure the proper administration by the courts of the power of injunction, and finally securing by the nation of thoroughgoing and adequate control over the great interstate corporations, a control which shall be both effective to prevent any wrongdoing by them and at the same time of such character as will permit the reward in ample fashion of all business which is so conducted as to be for and not against the public interest.
