Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hear-

ing will be destroyed forever; nine cases in ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can't be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

ABUSE OF THE INITIATIVE

It is a gross abuse of the rights guaranteed by the initiative and Referendum Amendment to the Oregon Constitution to bring up woman suffrage at every general election. This measure was submitted in 1909 and beaten by a plurality of 2137. In 1906 it was again proposed and was beaten by 10173. In 1908 it was again on the ballot and it was beaten by a majority of 21,649. Notwithstanding these repeated defeats, more decisive at each election, the same measure is again on the ballot this year. The ballot title is misleading and indicates a proposal to give votes to taxpaying women only, but the measure to be voted on is the same proposition which the people have so often and so recently condemned. It should be voted down this year by an increased majority, especially because of the fraud or mistake to be perpetrated on the people by the use of a false and misleading title on the ballot.—OREGON ASSOCIATION OPPOSED TO WOMAN SUFFRAGE.
