PORTLAND IS MORE HOPEFUL

Between \$1500 and \$2000 was raised last Sunday in the First Presbyterian and White Temple churches for the "Oregon Dry" campaign. Mrs. Armour stirred the people to great enthusiasm at a mass meeting in the afternoon. One of the features of the service was the reading of a telegram that Dr. Wm. H. Foulkes received from Ira Landrith, president of Belmont College, Memphis, Tenn. which says that "notwithstanding indifferent officers, arrests fell off 2533 the first year in Nashville under prohibition." The rest of the telegram reads: "In nineteen other Tennessee towns arrests decreased 37 per cent, and for drunkenness 40 per cent. In Knoxville murders decreased 45 per cent. Chattanooga 45 per cent. Average bank deposits doubled in proportion in 50 cities and towns. Law enforcement campaign for governor and legislature certain to succeed."

Mrs. Armour said that she read an extract where Rev. (?) W. A. Wasson, the brewery preacher, is reported as playing cards and banqueting a traveling man with real beer.

It is only consistent for the liquor interests to send out their proteges to defend their business, but why not send out the finished products—the red-nosed drunkard, the convict, the prostitute and the men and women who are insane?

LET THE COUNTIES DECIDE.

Division Should be Settled by People Directly Affected.

The Eugene Register declares that county division is a matter that should be settled by the people directly concerned. In reference to the issue, that paper says:

"With over thirty initiative petitions to be voted on at the general election this fall, the Oregon voter is in a good deal the same position as an old Missouri negro who recently took the civil service examination for a position as janitor in one of the capitol buildings. He went up looking pretty cheery. He thought that what he did not know about janitoring was of very little importance anyway. When he came away from taking the examination he was looking so downfallen, that someone asked him what had happened. 'Happened!' said he, 'why, boss, dey asked me things dat happened 'fo I's bo'n.'"

"One of the arguments advanced by the county division promoters is 'More counties and a greater Oregon.' They claim that division of the large counties into smaller ones is of the same value to the state that division of the large farms into smaller tracts is to the community. Possibly. But the question is has the community at large any right to say whether John Jones, who owns a tract of a thousand acres, shall willy-nilly cut it up into small holdings, or does that right lie with John Jones alone. County division is a thing to be settled by the people concerned, and not by the state at large."

"It will be '23' for all but about nine of those 32 initiative measures to be voted on at the November election."

Don't Forget

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
