CONGRESSMAN IS GRATEFUL

Congressman Willis C. Hawley left last week for Denver, Colorado, to attend a meeting of the Board of Head Managers, Woodmen of the World. He will return to Oregon before leaving for Washington, D. C., to attend the closing session of the sixty-first

Congress, as he desires to further acquaint himself with a number of problems in this state that will require the attention of congress.

With reference to the recent election Mr. Hawley said: "I am very grateful to the voters of the First Congressional District for their renewed expressions of confidence in me and for the honor of a re-election to congress, and will continue to labor faithfully in their behalf, advancing their interests and promoting their welfare to the best of my ability. A man is rich only in his friends, and to mine everywhere I am profoundly

grateful. Their approval of my efforts in the past encourages me to still greater endeavors in behalf of my native state, and I feel that Oregon will continue to receive the recognition shown her during the recent session of congress, and I will continue to do all I can for the people of the First District and for the entire state."
