### SALEM WILL BE HONORED CITY

Men of National prominence will speak at the convention of the Oregon Development League, to be held at Salem November 28, 29 and 30. Howard Elliott, president of the Northern Pacific Railway, is one of the leading speakers and he will tell

of the exploitation work the Northern Pacific is doing in Oregon's behalf and will suggest methods whereby the fullest possible benefit can be secured to this state.

Advertising and publicity men who stand in the front rank in their work in America are on the program and the brightest stars in community promotion on the coast are scheduled for addresses. Frank E. Morrison, secretary of Success Magazine and one of the foremost magazine men in the United States, is coming all the way from New York to speak to the Oregon leaguers.

There are many other speakers whose ideas will prove of great value. To hear them will be well worth a trip to Salem from the most remote part of the state and all who can possibly arrange their affairs to attend the convention should do so. Splendid hospitality is offered by the Salem Board of Trade. This includes auto trips about the capital city and the nearby country, visits to the state institutions and a big banquet on the night of the last day, Wednesday, November 30.
