STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

Standing by the Family Name A maker has his own reason for putting his name on a piano. It is a creditable piece of work. He is willing to assume the responsibility for its future. Makers who send out pianos without their factory imprint have their own reasons also. Stenciling on the name board any name that strikes a retailer's fancy their own personality does not appear in the attraction at all; why, then, invite trouble? The dealers who sell these fatherless "stencil" instruments—sell them, recommend them, do everything but become accountable for them. How can they? Their interest in a piano that bears one name this year, another the next, must be more or less transient. The purchaser cares nothing about that. He does care, though, about the instrument wearing well. Not for one year nor for ten, but long after the dealer may have, and doubtless has, gone out of business. That is why all sound piano reasoning leads to buying from the manufacturer or from his direct representatives. Here is the Matchless Baldwin Pianos Grand Prix-Paris, 1900. Grand Prize-St. Louis, 1904. Its makers work with half a century's experience at their command. Flawless materials are chosen. Specialized craftsmen toil over every detail. The whole is refined, polished, brought to rare perfection. When the instrument goes out into the world to meet artistic standards, the makers not only sign it with their own name but (such is the personal "paternal" nature of their feeling) follow its career with as keen an interest as a father keeping track of a particularly promising child. The name "Baldwin" on your piano is sterling assurance of continued satisfaction. To the big mass of buildings comprising the Baldwin home you may look for the redeeming of this pledge. Skilful control of factory economies brings price within the lowest figure consistent with high quality. Come and hear the Baldwin at our Salesrooms SALEM MUSIC COMPANY L. F.
