

**WEAK KIDNEYS MAKE WEAK BODIES.**

Kidney Diseases Cause Half the Common Aches and Pains of Independence People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill.

How an appalling calamity in his family was prevented is told by A. D. McDonald, of Fayetteville, N. C., R. F. D. No. 8.
