

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

NEWS FROM OTHER TOWNS.

FROM THE COUNTY SEAT

Black Rock citizens have evidently given up the idea of a saloon for that place. No petition was filed with the County Court last week, as expected.

B. Y. Allen has been appointed County fruit inspector by the County Court.

Mr. and Mrs. Wilbur Ross have moved here from Portland.

Dallas has opened a new Grand Theatre which is attracting considerable attention on the part of theatre goers.

The Monmouth high school basketball team defeated the Chemawa Juniors in a game played here last Friday. The score was 37 to 11. This was the third game in the recognized league.

The question of oil wells in this vicinity has taken on a pretty lively appearance during the past few days. At the Whiteaker well three miles from here, another pocket of gas is said to have been struck which made things lively for a short time, but no damage reported. The well is now 2200 feet deep, and enough casing is at the well to go down to a depth of 3000 feet. It is believed by experts in geology and oil that there are large quantities of oil underneath Polk and Yamhill counties, and the well owners intend to go in pursuit of it at any cost.

L. G. REEVES

The bill now being considered was framed by the Oregon Development League to meet a general demand for a state publication. The measure provides that the immigration agent shall serve without pay, but makes an appropriation of \$25,000, barely the cost of compiling and printing a limited original edition of the booklet. Once available, such a publication will be duplicated widely.
