

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

NEWS FROM OTHER TOWNS

FROM THE COUNTY SEAT

Current Events Recorded at the County Seat During the Past Week.

Will Martin has been spending a few days at the Gilliam home at Gilliam.

Rev. Geo. F. Hopkins attended the Sunday School convention at Portland during the latter part of last week.

Several of the K. of P. boys attended the anniversary meeting at Independence Monday evening.

It is said that 19 cents was paid for 1910 hops in Dallas last week, or rather offered, but sales are slow.

W. E. Kurtz was in Independence the fore part of the week.

Attorney W. L. Toose, Jr., was in Salem on business a few days last week.

The logging train moving timber from the mountains to the Spaulding mill at Newberg, has been forced to

abandon work on account of the deep snow in the mountains west of here. The past week, however, has caused the snow to settle some and it is expected that the train will soon resume work.

Mr. and Mrs. Clare Davis are rejoicing over the recent arrival of a ten pound boy at their home in the city.

About two-thirds of the people of this part of Polk county seem to be discovering oil in their wells. The result will be something fierce if such conditions continue. There will be a demand for a water system in the country soon and the well water will be worse than Salem's city water.

Mrs. Cecil Brown of Newberg, is visiting her parents in the city.

Mrs. Anna Stayton of Stayton, visited her sister in the city a few days last week.

Chas. Canter went to Harrisburg last Thursday evening to attend the funeral of his father who passed away at his home there that morning.

The horticultural institute will hold a two days' meeting in Dallas, Feb-

ruary 23 and 24, and visitors are expected from all over the state. Professor C. I. Lewis, who is the head of the department of horticulture at the experiment station, will be one of the speakers, as will also Professor A. G. Bouquet, of the same station. Other speakers will be W. K. Newell, H. M. Williamson, president and secretary, respectively, of the state board of horticulture.
