

## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.**

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition in paper covers. In handsome cloth-binding, 31 stamps.

## WEST VETOES MANY BILLS

### GOVERNOR WEST BREAKS VETO RECORD.

\$613,574 is Cut from the Appropriation Record, But List is Still Very High.

Salem.—With 64 bills vetoed, Governor West has closed his long task of passing on 233 bills inherited from the Legislature.

The last of the bills to receive executive disapproval was the Pierce measure repealing the initiative bill passed by the people in which the waters of the Regue River were closed to all fishing but by hook and line.

A revision of the list shows that although there were 64 bills vetoed by the governor, some of those which he originally intended to veto and for which messages were written were withdrawn.

There were 38 vetoes by Governor Chamberlain filed with the secretary of state after the preceding session and 234 bills, the 26th Assembly having 41 more bills to its credit than the one before. As far as can now be determined Governor West has eclipsed all records in Oregon for the number of vetoed bills.

The total amount of appropriations cut off by Governor West is \$613,574. This includes the elimination of \$29,000 from the appropriation bill for armories, the governor arranging that only half of the \$49,000 appropriation granted by the Legislature will be used.

#### Session Most Expensive.

From revised figures following the wholesale vetoing of appropriation bills by the governor it is ascertained that the total cost of the Legislature just closed is \$4,340,832.75 for the biennial period which will close December 31, 1912. This is by far the most expensive Legislature that Oregon has ever had.

Among the more important bills vetoed were:

The bill providing that eastern Oregon shall have one member of the state railroad commission.

Two bills providing for an increase in the salary for prosecuting attorneys in the fourth prosecuting attorney's district and in the fifth judicial district.

Resenting it as an attack on the "Oregon system" and also taking the position that it is unconstitutional, Governor West refused to approve Rusk's House bill providing for second-choice voting at the primaries.

Senator Bowerman's bill providing that no state, county or municipal officials could enter into a contract with the state.

Probably the bill which was vetoed in the face of greatest pressure was the Senate bill introduced by the judiciary and revision of laws committee increasing the salary of all circuit judges, except in the fourth judicial district, to \$4000 annually.

The Burgess bill creating a state sanitary and live stock board was vetoed because it carries an appropriation of \$50,000.

#### Yamhill Citizens Protest.

McMinnville.—A mass meeting of taxpayers was held here to discuss the large appropriations made by the last Legislature. Resolutions were unanimously adopted denouncing the extravagance of the late session of the Legislature and favoring the referendum on appropriations made in favor of the University of Oregon, the Oregon Agricultural College and the Monmouth Normal school dormitory.

#### CRIMINAL PROCEEDINGS

Judge and County Commissioners in Violation of Law.

Portland.—Criminal proceedings will be instituted against Judge Cleaton, of the county court, and County Commissioners Hart and Lightner in the federal court for issuing instruction to bridge tenders not to open draws when tugs towing sand scows and rafts of logs whistle. Several complaints are now on file in the office of the United States district attorney and Mr. McCourt announced that criminal proceedings will be instituted against the judge of the county court and the commissioners on

direct information. The penalty attached for violation of the federal law is not less than \$1000 fine and not more than \$2000, and by imprisonment not exceeding one year for each offense.

#### Seaside Would Be City

Seaside.—Attorney Logan, of Portland, is here to take charge of the legal procedure preliminary to the incorporation of a city, which will embrace a district of about 10 square miles, combining the entire area of old Seaside on both the east and west sides of the Necanicum River and running south to take in Hermosa Park and Cartwright Park.
